"I saw so much in the papers about the wonderful cures effected by Pyramid Pile Cure, I determined to give it a trial. I bought from my druggist one fifty cent box and used it as directed, and by the time I had used the last 'pyramid' I was entirely cured; in four days after I began to use the 'pyramids' all inflammation was gone. I was perfectly easy all the time, the excessive discharge stopped at once, and stools became easy and gentle.

"I was unable to get my own firewood for four months, and half the time when I could walk at all had to walk half bent. I used many pile remedies, salves and ointments, all to no effect until I used one fifty cent box of Pyramid Pile Cure and was cured.
