Major Macrae Sets a Good Example by Starting in Early and Working Late in Front of His Premises.

"Some did good work, others did not do so well, while many did not do any at all," was the way Mayor Macrae put it yesterday when asked if his street cleaning crusade had been a success.

In general the citizens responded fully well to the mayor's call to clean the streets, this being especially true in the downtown district. Mayor Macrae set a good example by starting to clean the portion of Fifth avenue in front of his residence before going to bed Monday night.

The mayor's energy was productive of an amusing incident. Officers O'Neil and Wilson, while making their rounds of the residence district, stopped in the district of a man wearily treading a wheelbarrow.

The police and officials of the city hall, headed by Chief Clerk Zuerchhausen, led yeoman's service on Bryant in front of the police headquarters and the municipal building, with the result that the street by noon bore an almost spotless aspect.

Uricsol the Only Cure for Rheumatism

If you are suffering from rheumatism there is a chance for you to become absolutely cured. You may cure yourself and do it quickly if you will lay aside your prejudice and skepticism.

Sherman & McConnell, the Omaha druggists, 16th and Dodge Sts., carry Uricsol, the California remedy, and we hereby authorize them to guarantee a cure.

Uricsol cures rheumatism in the only possible way it can be cured. Uric Acid and Urates are the cause of rheumatism.

These deposits must be dissolved and eliminated from the system before a cure can be accomplished.

Uricsol is a solvent of these and tones up the system, stimulates the kidneys, liver and bowels and thus drives them from the system.

Uricsol is harmless and no injurious results can possibly come to any part of your body.

The animal did a great deal of damage to the store, striking the corner of the stone step at the entrance to the store, killing it almost instantly. The driver, a small lad named Mike McHugh, retained his seat in the wagon and was uninjured.

TEACHERS' GOLDEN JUBILEE

Iowa Educational Association to Hold Fifteenth Annual Meeting.

VETERANS HAVE DAY ON PROGRAM

Transportation to Be Discussed by Experts This Winter Before Farmers' Institutes Throughout the State.

(From a Staff Correspondent.) DES MOINES, Nov. 22.—(Special.)—The program was issued today for the golden anniversary session of the Iowa State Teachers' association, to be held in Des Moines, commencing December 27.

The fact that the association was organized fifty years ago and has held annual sessions ever since without break naturally led the program makers to consider as one of the features of the session a review of the progress of fifty years in educational matters in the state.

To this end one session, for an entire half day, is to be devoted to a "fiftieth anniversary capture and reminiscence program," a time when the veterans of the last fifty years in educational work in Iowa will have the floor and recite their experiences and interesting incidents relating to early education in Iowa and the struggling days of the association. This program, which is for the afternoon of Wednesday, will be in charge of former State Superintendent Sabin, a veteran of the association and retired from active work after many years.

Another feature of the program will be the address of Governor A. B. Cummins on "Iowa's Past, Present and Future," which will be on Tuesday evening at the time of the annual address of the president, D. S. Wright of Cedar Falls.

Under the head of "Fifty Years Ago, Today and Tomorrow" there are to be papers by Miss Libbie Dean of Mount Pleasant, Miss Emma Fordyce of Cedar Rapids, Dr. S. N. Fellows of Iowa City, Superintendent George S. Dick of Red Oak and Ira C. King of Des Moines. L. D. Harvey of Wisconsin is to deliver a lecture and State Superintendent John P. Riggs will deliver an address before the association.

On the various sectional meetings and round tables the prominent educators of the state appear, including: O. J. McMann, Council Bluffs; Z. C. Thornburg, Des Moines; George H. Colbert, Clarinda; J. H. T. Malm, Iowa college; T. J. Bassett, Upper Iowa university; Frank E. Marshall, Sioux City; Miss Ethel Hamilton, Marshalltown; Miss Cora Treynor, Council Bluffs; Charles A. Cumming, Des Moines; D. M. Anderson, Albia; Miss Emma Ingalls, Council Bluffs; J. H. Beveridge, Missouri Valley; C. E. Blodgett, Logan; A. V. Storm, Cherokee; Frank E. Howard, Bedford, and H. C. Richardson, Cedar Rapids.

Among new topics will be "Agriculture in Rural Schools," "Child Study," "Compulsory School Law," "Teachers' Salaries" and "Art Education."

Transportation at State Institute. The state for its officers have virtually completed the program for the state farmers' institute in December and have announced that the principal feature will be a discussion of the transportation question by experts and specialists. The latest to be added to the program on this subject are E. C. Delano, general manager of the Burlington railroad, and G. C. Nutt, Iowa superintendent of the same road. A. L. Ames of Buckingham, Ia., of the Corn Belt Meat Producers association, will also be on the program. The feature will be the discussion of the transportation question from a conservative standpoint in all cases, and it is expected that the papers and addresses presented will be published in the Year Book.

Biennial Amendment All Right

Ex-Senator George M. Titus of Muscatine, the father of the biennial amendment, laughs at the defect alleged to have been found in the latest amendment by a Council Bluffs attorney. He says there is nothing to the claim of a defect, and quotes several statutes to prove that his position is right.

BLOOM CHARGED WITH MURDER

Expresses Deep Remorse for His Action.

SHEPANDOAH, Ia., Nov. 22.—(Special Telegram.)—John Bloom, the wealthy farmer, 68 years old, who lives eight miles south of this city, and who deliberately shot down and instantly killed his son Frank, 27 years old, Sunday night, the sequence of a quarrel, was arrested at his home at noon today and taken by Constable Simmons of this city to Clarinda to be kept in jail there until the next term of court, December 12.

He will not be allowed bond, but will be kept in confinement. The explanation given for his act is temporary insanity from rage. He showed deep remorse today as he went with his two sons to the county jail.

The murdered son will be buried tomorrow at the home where he lost his life, under the auspices of the Woodmen.

Testing the Drainage Law

ONAWA, Ia., Nov. 22.—(Special.)—In the matter of Addison Oliver, appellant, from the decision of the Board of Supervisors of Monona and Harrison counties by agreement the cases Nos. 378 and 379 have been consolidated as 379, equity, and will be tried together December 12 at Onawa by Judge Wakeland.

Much interest attaches to these cases, which will involve decisions affecting the drainage laws of Iowa passed last year. Authorities from seven or eight counties in Iowa have been in attendance at Onawa to investigate the cases started, as they were interested in similar proceedings. Judge Oliver proposes to carry his cases to the supreme court of the United States, if it should be necessary, to obtain a favorable decision.

Chirardelli's Ground Chocolate

Your Doctor knows that cocoa is the richest of all brain nerve and muscle building foods.

If he's wise, he knows that Chirardelli's Ground Chocolate is the perfect cocoa preparation—perfect because it is the richest in the nutritious and digestible elements of the finest cocoa—rendered delicious and appetizing by the scientific incorporation of high grade sugar.

He should know that the most nutritious food is of little value if its goodness does not commence at the palate.

These are some of the reasons why Chirardelli's Ground Chocolate is strongly recommended to the weak and nervous, the run-down and feeble—and those who have health and want to retain it. If you once use Chirardelli's Ground Chocolate you'll drink it ever afterwards.

Always fresh in patent hermetically sealed cans.

Chirardelli's is made in California, where its sale is double that of all other cocoa preparations combined—a proof of its perfection.

"Halliday's Rheumatism Cure"

Cures when others fail

This is not a cure-all. It does but one thing. It drives out uric acid deposits from the system, whether the disease appears in the form of rheumatism, lumbago or gout. All of this class of diseases are caused by the presence of uric acid in the blood, and the deposits of this poison in the muscles and joints produce irritation, soreness and pain.

Halliday's Rheumatism Cure does not cure in a day, but the improvement is gradual, and the cure is complete.

A cure guaranteed or your money back. Price 50c
