WANTED-MALE HELP

WANTED-MALE HELP

The Largest Salary Goes to the Man or Woman of Greatest Ability

But it must be the kind of ability that is in demand. No class of clerical help is more sought after than competent bookkeepers and stenographers. Business men do not want and will not have the incompetent or untrained sort.

In this hustling age you enter the business world at a disadvantage unless you have a thorough knowledge of business ways. Business can't wait for you to "pick it up." You must KNOW HOW, for someone else does if you don't. Our course is thorough and long enough to render pupils unmistakably competent.

A complete mastery of bookkeeping or shorthand, a possession of the Touch method of typewriting, which we teach, and a willingness to work, are all that is necessary to enable you to each out with a sure hand.

Strictly Business Training

It has ever been the policy of this school to teach only the branches that are essential to a thorough business training. The same requirements enforced in the best regulated business offices are also enforced in every department of the school. The social program is no part of a commercial education. We expect every student to become thoroughly competent, and this can only be done by devoting every hour of the time most assuduously to study. Them, at the close of the term, everybody is sattsfied and the graduate able to take and hold a good position.

Hundreds of students fail every year in all kinds of educational institutions because of social and other diversions. Business is business, and in securing a business training it should be in a school where every element of business is taught and practiced.

Every student who takes out a full-term scholarship.

Every student who takes out a full-term Every student who takes out a full-term scholarship is given a year's membership in either the Y. M. C. A. or Y. W. C. A. without extra charge. No such proposition was ever made before by any institution. The value of this membership to a student can scarcely be computed. To be a member of the Y. M. C. A. or Y. W. C. A. means character, culture and refinement. Apply for catalogue and college literature. Day and Evening Sessions.
