PHILADELPHIA, Nov. 26.-West Point and one goal. The score does not properly indicate the relative arrength of the two elevens, for probably not in the bistory of the great university game have two teams been more evenly matched. The first touchdown for the army was

the result of a fumble by one of the navy backs, but the brilliancy with which Tipton the army's center, took advantage of the error has never been excelled, if equalled, on a foot ball griding. The game had been in progress less than ten minutes, the navy had shown unexpected strength in defense, while the army's much vaunted offense had crumbled to naught. With the ball in midfield, Smith for the har, wa hurled back for a loss. Spencer also failed and Howard kicked to the army's thirtyfive-yard line. West Point found the navy line a Gibraltar, and Torney kicked to midfield. There were three Annapolis men under the punt, but when all had been thrown the ball rolled off to one side of the mass of players. Tipton, coming on from behind with muscle and brain both in good working condition, kicked the ball toward the navy's goal. Pursued by half a dozen navy men, he had no time to sles. stoop and secure the sphere, but rushing on he again dribbled it. His aim was accurate coveted line Tipton knew that a touchdown | no one was in uniform. for the army was inevitable. As he drew hear to the goal he began to loosen his lying upon it. Such deliberation and rare judgment in a moment so trying was truly was on. remarkable. It was probably the turning point for victory for West Point. Up to the exchange of punts, aided by a stiff wind, had gradually forced West Point nearer its own goal line.

Turning Point in Game. This touchdown gave West Point the adresponsible for the victory of the army over army.

Probably never in the memory of the oldest foot ball enthusiast has a better defense been witnessed than that put up by the navy, during the next twenty minutes of play. On an exchange of punts the army secured the ball on the navy's fiftyyard line. From this point it required twenty-two minutes for the army to force the ball to the navy's goal, and this with a gift of five yards for off side. During this time it was necessary for the referee to measure the disatuce five times in order to ascertain if the holder of the ball had secured first down.

Only once during the game was the army's goal threatened. A few minutes CARLISLE WINS FROM HASKELL before the close of the game, the navy, by Gormley, the latter having taken Smith's twenty yards of West Point's goal, where It was lost on downs. In this half the advantage, if there really was any, favored

Society recognizes the West Point-Annapolis game as the proper foot ball function. Not in the history of the University of Pennsylvania has such an immense crowd witnessed a foot ball contest in this city with the exception of the game which was attended by President Roosevelt two years ago. The ideal weather was an incentive for those who cared to view the contest and it is estimated that there were

What Suphur Does

For the Human Body in Health and Disease.

The mention of sulphur will recall to many of us the early days when our mothers and grandmothers gave us our daily dose of sulphur and molasses every

It was the universal spring and fall "blood purifier," tonic and cure-all, and mind you, this old-rashfoned remedy was

not without merit. The idea was good, but the remedy was crude and unpalatable, and a large quantity had to be taken to get any effect

Nowadays we get all the beneficial effects of sulphur in a palatable, concentra.ed form, so that a single grain is far more effective then a tablespecuful of the crude

In recent years, research and experiment have proven that the best sulphur for medicinal use is that obtained from Calgium (Calcium Sulphide) and sold in drug s.o.ca of halves: Thirty sulnutes. under the name of Suart's Calcium Wat-ers. They are small chocolate seared pel-lets and contain the active medicinal prin-ciple of sulphur in a highly concentrated.

Few people are aware of the value of this form of sulphur in restoring and maintaining bodly vigor and health; sulphur acts directly on the liver, and exerctory organs

prompt elimination of weste material Our grandmothers knew this when they dosed us with aulphur and molasses every spring and fall, but the crudity and imoften worse than the disease, and cannot compare with the modern concentrated preparation of sulphur of which Stuart's Calcium Wafers is undoubtedly the best

and most widely used. They are the natural antidote for liver and kidney troubles and cure constipation and purify the blood in a way that often surprises patient and physician alike.

Dr. R. M. Wilkins while experimenting with sulphur remedles soon found that the sulphur from Calcium was superior to any other form. He says: "For liver, kidney and blood troubles, especially when re-sulting from constipation or malaris, I have been surprised at the results obtained from Stuart's Calcium Wafers. In patients suffering from boils and pimples and even deep-seated carbuncles, I have repeatedly seen them dry up and disappear in four or five days, leaving the skin clear and smooth. Although Stuart's Calcium Wafdruggists, and for that reason tabooed by many physicians, yet I know of nothing so safe and reliable for constipation, liver and kidney troubles and especially in all forms of skin diseases as this remedy."

At any rate people who are tired of pills, cathartics and so-called blood "purifiers." will find Stuart's Calcium Wafers, a far mater, more palatable and effective prep-

ARMY DEFEATS THE NAVY over 20,000 persons present. There was a congestion of street car traffic on all lines downs. position at full back, carried the ball from ST. LOUIS, Nov. 26.—After three and a their own thirty-eight-yard line to within half minutes of play, during which the ST. LOUIS, Nov. 26.—After three and a haif minutes of play, during which the Haskell Indians fairly ran the Carilisle braves off their feet, and P. Hauser, Haskell's right end, kicked a field goal from the eighteen-yard line, the vaunted speed of the western Indians spent itself against the brawn and muscle of the eastern redmen, and the latter's heavy plunging backs tore through Haskell's line almost at will, folded the opposing line back upon itself when Haskell had the ball and inted up a score of 3 to 4 before the end of the second haif.

With ideal foot ball weather and many strong supporters of the two government Indian schools in the city besides, the interest aroused in the contest by nonpartisan lovers of the sport, contributing to the success of the game, there were more than 12,600 persons in the World's fair Stadium when Libby kicked off.

After the spectacular dash of the Haskells the Carlisle gridiron warriors gained their true form and plunged through the Haskell line, gained many yards on end plays and in every other way completely outplayed

true form and plunged through the Haskell line, gained many yards on end plays and in every other way completely outplayed the westerners.

The only time in the second half that Haskell forced Carlisle to punt was when the westerners made a magnificent defense of their line after B. Pierce had made it a first down on the Haskell four-yard inc. Dillon gained a yard and a recovered fumble advanced the ball to within six inches of the Haskell goal, where the ball again rested after Dillon had been sent smashing against Haskell's right guard. It was Haskell's ball and E. Hauser punted out of immediate danger.

Creighton Medics Are Beat.

At Wisner, Neb., last Thursday afternoon the Creighton Medical college foot ball team met with defeat at the hands of the Wisner eleven. The score was 19 to 0. The medica were considerably outwelghed by the Wisnerlies, but nevertheless played a plucky game. The game is reported as having been a clean exhibition of the grdiron sport from start to finish. Putnam, Miller, Hayden, Fleming, Ivins and Hansen were conspicuous in the game by their brilliant playing. A dance and receptor were tendered the visiting team at the Wisner opera house in the evening and each side wore the colors of the other as evidence of the good feeling existing between the rival teams. A number of the Creighton players did not return to Omaha until Saturday.

Stubborn Contest Ends in Tie. Stubborn Contest Ends in Tie.

HASTINGS, Neb. Nov. 16.—(Special.)—
Grand Island Business college II. Hastings Presbyte ian cell ge II. was the score
in the most stubbornly contested game
on the Hastings field this year. Grand
Island had the best of it in the first half,
scoring their first touchdown on terrific line
smashes which the Hastings team could
not stop. Grand Island's second touchdown
was made by Cahill, the fiest-footed captain, who raced around right end, dodging
the fullback, and ran seventy yards. In

of those who surrounded the West Point Spencerian Wins the Magnolia Selling

Stakes at New Orleans. NEW ORLEANS, Nov. 26.—The talent regained its form today, four of the winners being first choices. Spencerian's victory in the star event of the card, the Magnolia selling stake at one mile, was the talent's worst setback. Jake Greenberg, backed from threes to 13 to 5, was favorite, but he never got to the front. Rickshaw, at fours, made the running and yielded at the end to Spencerian, who came out of the bunch and won by two lengths. Telescope, Edith May, Hankin and Brand New were the winning favorites. Weather fine, track fast. Results:

First race, six furiongs: Telescope won. Able Frank second, Miszen third. Time: 1:13%.

DE ORO WINS POOL CHAMPIONSHIP New York Player Defeats Hueston by

Score of 600 to 476.

ST. LOUIS, Nov. 28—Alfred DeOro of New York, pool champion of the world, tonight successfully defended his title against the challenge of Thomas Hueston of St. Louis by defeating him in the third and final block of the 600 point series by a score of 185 to 161. The total score was: DeOro, 600; Hueston, 670.

DeOro 600; Hueston, 670.

DeOro was in great form and began the game by sweeping the board on the two first frames. With this lead DeOro refaxed and Hueston forged to the front, but his lead of five balls was immediately cut down by DeOro, who thereafter won as he pleased, taking all the balls in the next to the last frame and winning the necessary three to complete his 600 in the next without allowing Hueston a shot. Score of 600 to 476.

Charge Against Bezedek.

versity. Correction from Grand Island, GRAND ISLAND, Neb., Nov. 26.—(Special)—On Thanksgiving day the second, or scrub, team of the Grand Isl nd Businers college played the Columbus High school, who reported the game is being pigyed with our first team. We have a clean record this year, having defeated all the teams that we played except two, and we played tie games with them, so we do not like to have it appear that a team of Columbus' class could defeat us.

Hearing of Case.

MANY DETECTIVES IN THE COURT ROOM

Prosecuting Attorney Says Men Who Offered to Swear Woman Did Shooting Would New, Swear Man Did.

NEW YORK, Nov. 26.-The serious filness of Edward Dressier, one of the Jurors, which was reported at the opening of court today, may necessitate a new trial in the case of Nan Patterson, the show girl who is charged with the murger of Caesar Young. An affidavit from the sick juror's physician which was presented to Justice Davis said that the patient had suffered a stroke of apoplexy and that his condition is serious. As this was a third attack, fear was at once expressed that Dressler might not be able to resume his duties and that the work done during the last two weeks would be set at naught. Miss Patterson was in court when the adjournment was announced. She expressed keen disappointment at the sudden and unexpected interruption in the progress of the trial. "I suppose this will mean a new trial," she said as she was being led back to her cell in the Tombs.

"I am sorry the juror is Ill, both for his sald and for my own. I was sure the jury would acquit me. If there must be a new trial I hope it will come at once." NEW YORK, Nov. 28.-The Illness of a juror caused a sudden and unexpected adjournment in the Patterson murder trial, which was to have been continued in the criminal branch of the supreme court to day, after the Thanksgiving, holiday recess. When everything was in readiness to proceed it was announced that Juror Edward Dressler was too ill to leave his home. There remained no alternative but to suspend the trial for the time bing and an adjournment was ordered by Justice

Although the members of the jury and the defendants gave themselves over to complete rest during the interval afforded by the recess, the attorneys in the case took advantage of the intermission in an entirely different way. All their energies were exerted toward bringing closer together the material points upon which depends the success or failure of their case. Rumor, which has figured prominently in the case since the trial began, was active during the interval. One of the stories which gained wide credence and which if true undoubtedly would have added materially to the sensational side of Fourth race, live and a half furlongs:
A. L. Johnston won, Schoolcraft s.cond,
Girdlestone third. Time: 1:08½

Wagner won, Eile scond, Cincinnatus
third. Time: 1:55.

Sixth race, seven furlongs: Buglehorn
won, Emperor of India second, Tenderest
third. Time: 1:28½.

Time: 1:28½. quarters. This report was later denied by the police, however,

The prosecution has kept up an unremitting search for Smith ever since he disappeared. They charge that it was Smith who purchased the revolver with which Young was shot and that he would prove to be the strongest witness if he could be found. Already Smith's photograph has been introduced in the case and identified, and the prosecution has promised that the pawnbroker who sold the revolver will also identify the photograph as that of the man who purchased the weapon. Looking Up Witnesses' Records.

Probably never before in the history of a murder talal in this city was there organized by the district attorney's office what might be called a flying squadron of CHICAGO, Nov. 26.—Formal charges of professionalism were made today by Prof. detectives, who are stationed at the en-marriage at the county court room in this. The couple will make their home here for detectives, who are stationed at the entrance of the Court foom for no other purpose singulars. Hugo Bezedek, the star fullback of the University of Chicago foot ball team. Prof. Barton, accompanied by Coach Fred Lowenthal, called on Prof. A. A. Stage, director of athletics at the University of Chicago, and presented an affidavit signed by William Montgomery in which Bezedek is charged with being a prize fighter and with having accepted money for fighting under the name of "Young Hugo."

The document states that Montgomery and "Young Hugo" participated in a bout March 31, 1900, before the Crystal Athletic club of Chicago and that "Young Hugo" received \$12.50 as his share of the purse. Additional charges of a similar character are made in the affidavit. According to the rules Bezedek is eligible for two more years in college athletics. In the Chicago unit-versity.

CITY HALL BEATS COUNTY BOWLERS Politicians Have Great Day on the Alleys.

Those of the city hall bunch who have a drop of sporting blood in them were feeling good last night because a picked team of bowlers from the city building had vanquished some young men who would be exponents of the game from the county court house. The contest was pulled off at the Omaha Bowling association's alleys before a big crowd of partisans, who made the affair a merry one. The score was 2,333 to 2,107 in favor of the city for three games, City Abstracter Wood Hartley was the bright particular star of the city hall aggregation, his score running up to 633 and beating that of County Assessor Reed, who did the best work for his side.

Councilman Dave O'Brien looked pretty and might have done well had he remembered on which particular alley he was supposed to roli the ball. Dick/Grotte did almost as well in dislocating his aim, and his superior officer, Building Inspector Withnell, startled the onlookers by making a score of 207 in his first game. Dave Rubin was the low man for the city hall. For the county outfit County Clerk Drexel drew the booby prize with the low score of 257. Dan Butler, White and Havelka each did better, but not well enough.

This evens up for the awful drubbing given the city hall base ball players by the court house men last summer. The score: CITY HALL

What She Saw In The I have no pains, and feel much stronger Looking-Glass.

became more regular and didn't have will more quickly restore the womanly the bearing-down pains which had functions to a healthy state than Dr. been my lot for so long. Continued its use until I was a well woman,

generally."

The above is a fair portrait of Miss

Mitchell, in the looking-glass, although HE stood before her glass in the street, in the looking glass, although it by no means does her justice, as she is much handsomer than a mere picture like this can portray. The fact is a woman can't look beautiful that is dragcheeks had the freshness of rose petals; ged down with pains at regular inter-her hair was wavy and beautiful. She vals, who cuffers from headaches, backlooked well and strong. The reason for it is given in her own letter, as follows:

"I am glad to be able to testify as to low complexion, dark circles about the the merits of Dr. Pierce's Favorite Pre- eyes, and a general reeling of weakness, scription for the many ills that women which brings misery of mind and body, suffer with," writes Miss Gertrude Mit- To keep one's good looks the body must chell (President Young Ladies' Christian | be healthy-the feminine functions must Endeavor Society), 43 Columbia St., E., be regular. Woman was not intended Detroit, Mich. "After many years of suffering and pain, I took your medicine, should. A healthy body will usually be and in a short time began to feel stronger, a shapely body, and no means at hand

Pierce's Favorite Prescription.

out the use of alcohol, was positive in its action. After using this remedy for many years in his private practice he put it up in a form that would make it easily procurable, and it can be had at any store where medicines are handled.

THE MARRIAGE QUESTION. Although many people marry without reasoning about it, and do not know the word romance, they feel it and act it all their lives and are content. There are unhappy married lives, but a large percentage of these unhappy homes are due to the illness of the wife, mother or daughter. The more civilized or cultured a race becomes, doing with less and less physical exercise in the outdoor air, and with the wearing of corsets and other modish customs, the more likely are the women to suffer from womanly ills. Every woman should know what right living is-for perfect health and a fair complexion she should occasionally take a vegetable laxative such as Dr. Pierce's Pleasant Pellets.

Backed up by over a third of a century of remarkable and uniform cures, a record such as no other remedy for the diseases and weaknesses peculiar to women ever attained, the proprietors and makers of Dr. Pierce's Favorite Prescription now feel fully warranted in offering to pay \$500 in legal money of the United States for any case of Leucorrhea, Female Weakness, Prolapsus, or Falling of womb, which they cannot cure. All they ask is a fair and reasonable trial of their means of cure. Could any test be more fair showing the faith of the makers? Do not listen to the arguments of the dealer that his own make is better. It means better profit to him, that's all. He insults your intelligence when he tries to make you change your mind, to take a substitute for the standard remedy which has en-joyed years of success and the testimony of thousands in its favor. Dr. Pierce by no means confines him-

self to prescribing his well-known medicines. He tells you in the most common-sense way what ails you, what you ought to do, what line of treatment should be followed out in your particular case, and if your case does not indicate the need of his proprietary medicine, he tells you plainly and frankly what you do need, and the best possible method of improving your health. If you are a young woman just entering upon the duties of life, you should have good med-ical advice of a confidential nature. If you're a mother of children, you may want advice about yourself and how best to put your system in order that your children may be healthy. To sufferers from chronic diseases which do not readily yield to treatment, or to people who are past the youthful stage of life and want confidential advice about their ailments or their physical condition, Dr. Pierce offers to carefully consider your case and give you the best medical advice within his power, free of cost to you.

YOUNG MARRIED PROPLE should read the People's Common Sense Medical Adviser, by R. V. Pierce, M. D. Send 21 cents in one-cent stamps, to its use until I was a well woman, and shall never cease to be very grateful that it was brought to my notice.

Dr. Pierce, during a long period of practice, found that this prescription made entirely of roots and herbs, withstamps for a cloth-bound copy.

We guarantee that Dr. Pierce's Favorite Prescription does not contain alcohol, opium, or any harmful drug. It World's Dispensary Medical Association, is a pure compound of medicinal plants scientifically combined. Persons making false statements concerning its ingredients will be prosecuted. PRESIDENT.

BLOOD POIS

DEAR SIRS:—I didn't find out that I had contracted Contagious Blood Poison until it had made considerable headway, and fortunately for me the friend that I first consulted had had some experience with the disease, and advised me to take S. S. S., so I didn't fool with any doctors, but began at once the use of your medicine, taking it as directed. My friend told me to stick to it, and that was what I did, and got along splendidly from the very first, and my recovery was rapid. I took only about one dozen bottles, and am now as well as ever. When I began S. S. S. my face was a spend my lost weight, became stronger, and my appetite

am now as well as ever. When I began S. S. S. my face was so full of sores and eruptions that I could not shave, and now there is not a blotch or pimple on my body.

204 Oakley St., Evansville, Ind.

WALTER WEBER.

205 S. S. my face was gained my lost weight, became stronger, and my appetite greatly improved I was soon entirely well, and my skin as clear as a piece of glass.

58 Clinton St., Newark, N. J.

H. L. Meyers.

Contagious Blood Poison, sometimes known as "THE BAD DISEASE," begins usually with a little pimple or sore, and this may be the only external evidence for several weeks; but soon the glands in the neck and groins swell, pimples and red eruptions break out on the breast and other parts of the body, the mouth and throat get sore, the tongue heavily coated, the hair falls out, and as the contamination more thoroughly saturates the system, copper-colored spots and other severe symptoms make their appearance. Too often the sufferer turns to the Mercury and Potash treatment and smothers and hides the disease in the system, and when they are left off he finds that this masking of the disease has concentrated its strength, and it breaks forth again with consuming

intensity. Mercury and Potash produce Mercurial Rheumatism, necrosis of the bones and inflammation of the Stomach and Bowels. S. S., the great vegetable blood purifier and tonic, cures this disease and the cure is permanent. It goes into the circulation and searches out every particle of the poison, gives renewed strength and energy to the blood and brings back robust, satisfying health. It does the work surely and safely, eradicating at the same time any poisons that have accumulated from the use of harmful minerals. It is purely vegetable—we offer a reward of \$1,000 for proof that it contains a particle of mineral. Our book on Contagious Blood Poison is a complete treatise on

disease. It will be mailed to all who ask for it, and our physicians will gladly give personal attention to the cases of all who write. We make no charge for this. THE SWIFT SPECIFIC COMPANY, ATLANTA, GA.
