HAPPY MOTHER'S TOUCHING STORY Of Baby's Dreadful Suffering from Eczema. CURED BY CUTICURA. Now His Skin is as White as a Snow Flake. "A terrible rash broke out on Charlie's poor little face and spread to his neck, chest and back. I had never seen anything quite like it before," writes

Mrs. Helena Rath of 821 10th Ave., N. Y.

City. "The skin rose in little lumps, and matter came out. My baby's skin was hot, and how he did suffer. He night after night I wouldn't eat, and walked the floor with him, weak as I was. Often I had to stop because I

felt faint and my back throbbed with pain. But the worst pain of all was to see my poor little boy burning with those nasty sores. At last I was persuaded by a friend across the street to try the Cuticura Remedies. She gave me some Cuticura Ointment - I think the box was about half full - and a piece of Cuticura Soap. I followed the directions, bathing Charlie and putting that nice Ointment on the sores. Little by little, but so surely. Charlie and I both got more peace by day and more sleep by night. The sores sort of dried up and went away, and now Charlie is cured com-pictely."

pletaly." "Yes, that fat little boy by the win-dow is Charlie, and his skin is as white as a snow flake, thanks to the Cuticura Remedies. I think everybody should know about the Soap and Ointment, and if it is going to help other mothers with sick bables, go ahead and publish what I have told you."

Corbett Utterly Defented. Round 10-Nelson went right after Cor-bett. Corbett hung to Nelson desperately, fighting back like a wild man. His swings were wild, however. Nelson again russied Corbeit to the ropes, landing at will with right and left on the face. Corbeit was grogy and the crowd yelled to "Stop it." "Stop it." Nelson went after Corbeit, who could scarcely raise his hands. Corbeit, who their charge, threw up the sponge as a token of defaat. Corbett was carried to his corner with

Corbett was carried to his corner with blood streaming from his nostrils, an utterly defeated pugilist.

Nelson left the ring with scarcely a mark to show that he had been in a fight.

But as the game went along the Commercials got together and lost no unapplied strength. They also seemed to be in better condition than the soldiers and where during the first half the fighters could plow them up and they could not make so much in return, later they were able to tear the military line to pleces and were not held for downs. It was a very close squeek, however, and with only seven minutes to play the soldiers were 1 ahead. The locals won the game with just thirty five seconds of time to spare.

 The soldiers have developed a quite complicated and scientific defense, and had they been able to hold their ground would have had anseasy time.
