OLD OFFENDER IS SUSPECTED

Annie Lewis, clever smuggler, believed to be operating at Present in Omaha.

It is believed by the police that one of the women reported to be around town selling valuable lace at ridiculously low prices is none other than Annie Lewis, alias Anna Ketcham, who is known to eastern authorities to be a clever smuggler. She already has served a term for such an offense and recently was reported to be somewhere in the country trying to dispose of a quantity of imported lace.

The first intimation Chief Donahue had of the presence of the woman here was a telephone call from 321 South Twenty-eighth street, saying such a person had called at that number and offered lace for sale at such a price as to arouse suspicions. The woman said she was selling for the Kilpatrick company and that the lace had been in left in bond and bought in large quantities for a low price. The Kilpatrick company has no knowledge of the woman or the lace except the information received from people who reported the matter.

It is known that a considerable quantity of the lace already has been sold here by the woman, who is said to have two companions.

Chief Donahue has issued special instructions to his men to be on the lookout for people selling lace.

Nothing personal intended, and we do not pretend to sell "live coals," but, "begorra," if we sold "dead coal" we would own up to it. "LIVE COAL" MAKES "LIVE COALS." TRY US.

Rheumatism Is Easy

It treated with the ELIMINO REMEDIES. The great majority of medicines used for rheumatism—relieve temporarily by precipitating Uric Acid in the blood and leaving it there in an insoluble form, thus doing more harm than good.

THE ELIMINO REMEDIES DISOLVE AND REMOVE URIC ACID THUS CURE RHEUMATISM. You take no chance on this medicine "cause we guarantee it. Now what's the use of suffering? Call or write for descriptive circular. We have free samples for those who will call. When looking for lowest prices, just remember one thing about drugs. We don't allow any one to undersell us. Our LONG suit is CUT PRICES. We buy in large quantities, get goods in our line as cheap as they can be bought and that EXPLAINS WHY some druggists "can't see how we can make any money by cutting prices.
