It was a potent agency, preventing the passage by congress last winter of the Gompers anti-conspiracy and anti-injunc-tion bill, which is the deadlest attack yet made on the court's efforts to give liberty to life and property. It was at equally potent agency in pre-venting the passage by congress of the eight-hour bill, which would put on the boycott list of the United States govern-ment lise of the United States govern-

which was unable or unwilling to go to an eight-hour basis. It was the most powerful agency in pre-venting the passage of the national ar-bitration bill, so-called, which by its in-quisitorial and compulsory investigation features, would subject the affairs of every concern in this country which might be-come involved in labor troubles with its employes, to the disastrous esplonage of the government.

has done a great work in stimulating

It has done a great work in stimulating the formation of employers' associations and citizens alliances throughout the coun-try for the purpose of getting the laws enforced and, last, it has done a great work in changing the attitude of the press and the public generally toward the actions of labor unions and in developing a public sentiment in favor of the enforcement of the laws, which are the protection of the right of every man to run his own busi-ness and of every man to work, whether he belongs to a union or not.

Use of Employment Agency.

It was in the employment hureau of the

country that' Frederick W. Job, secretary

of the Chicago Employes' association,

found hope of a future settlement of all

troubles between employes and employers

must return in the end to find relief.

To that bureau, he declared, both sides

Master Painters' and Decorators' associ-

ation, speaking of the labor situation in

I don't want you to think that the men of New York are held up with strings willingly or lack sand. We have in this city an organization that has successfully fought the labor unions. We organized our association eighteen months ago and made a strong fight. We formed an allance with labor after a lockout lasting sixteen waks, which magalized business

with abor after a lockout tasing sixteen weeks, which paralized business. Recently I asked President Roosevelt as an American citizen to use his influence to put the responsibility on labor unlons and he said, "That's the thing that is needed."

The report of the committee on reso-

lutions which was adopted, reaffirms the

objects as adopted at the Chicago and

Indianapolis conventions, the Citizens

Industrial convention and again declares

BECOMING Is an' ordeal which all women approach with indescribable fear, for nothing compares with A MOTHER the pain and horror of child-birth. The thought

of the suffering and danger in store for her, robs the expectant mother of all pleasant anticipations of the coming event, and casts over her a shadow of gloom which cannot be shaken off Thousands of women have found that the use of Mother's Friend during pregnancy robs confinement of all pain and danger, and insures safety to life of mother and child. This scientific liniment is a god-send to all women at the time of their most critical trial. Not only does Mother's Friend carry women safely through the perils of child-birth, but its use gently prepares the system for the coming event, prevents "morning

sickness," and other discomforts of this period. sold by all druggists at MOTHER'S \$1.00 per bottle. Book containing valuable information free. The Bradfield Regulator Co., Atlanta, Ga. FRIEND
