the Council Bluffs Fire Insurance company. Mr. Loomis was appointed receiver in June, 1895, and during the nine and a half years he has served us such the district and federal courts.

In January, 1895, a few months prior to the company becoming inso vent, the report to the state auditor showed it had avects of 210,000. Mr. Loomis, on being appointed receiver, promptly scaled the assets down to \$19,000, and this created considerable surprise and at the same time Results, however, have proven that Mr. Loomis was correct. Since his appointment as receiver Mr. Loomis has only been able to discover assets of \$16,131.84. When he took charge of the affairs of the company the only cash to be found was \$1.15 which remained to the credit of the concern in a Chicago bank and which evidently had been overlooked. After disbursing \$11,397.76 Receiver Loomis reports he has \$4,923.08 on hand. Against this there is the bill of the attorneys, amounting to \$4,498.71 and the receiver's claim for compensation at \$500 a year, amounting to \$4,750. During the nine and a half years he has served as receiver Mr. Loomis had drawn but \$400. The liabilities of the company amounted to 146 561.37, there being 15.946 claims for unearned insurance policies filed with the

in his report Mr. Loomis calls attention to the fact that among the assets of the company was a note, originally for \$4.750, given by one of the stockholders for stock which at the time Mr. Loomis took charge amounted, with accrued interest, to over
