DESIRABLE LOTS ON "TUKEY'S TERMS

FOR MEN OF MODERATE MEANS.

The interurban road between Omaha and Lincoin is now an assured fact. While this road will help the whole city, the first advantage will be noticed along the line from the grain terminals to South Omaha and beyond. We are going to seil about we lots in Thompson & Goos' addition at the same prices we offered them before the road was located, and we make the choice of any lot for \$3.5. City water on the ground. We have one entire block of about 4 acres which we will sell at a bargain.

When the interurban line is in operation and the Hanscom park line extended to Vinton street and \$2d this property will double in value.

We have decided to sell these lots on the now famous "Tukey's terms." A few years ago we started the selling of property in Omaha on monthly payments, without any interest, in order to accommodate a large number of people who have not the ready cash. We make the same proposition on these lots acres, and give you your choice of lots until the \$6 we offer are sold. Call at office for plat. These lots are just south of the \$9 acres we sold the Interurban a few days ago and are high and sightly, with good surroundings.
