Mrs. Haskell, Worthy Vice Templar, Independent Order Good Templars, of Silver Lake, Mass., tells of her cure by the use of Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINEHAM: Four years ago I was nearly dead with inflam-mation and ulceration. I endured daily untold agony, and life was a burden to me. I had used medicines and washes internally and externally until I made up my mind that there was no relief for me. Calling at the home of a friend, I noticed a bottle of Lydia E. Pinkham's Vegetable Compound. My friend endorsed it highly and I decided to give it a trial to see if it would help me. It took patience and perseverence for I was in bad condition, and I used Lydia E. Pinkham's Vegetable Compound for nearly five months before I was cured, but what a change, from despair to happiness, from misery to the delightful exhilarating feeling health always brings. I would not change back for a thousand dollars, and your Vegetable Compound is a grand medicine.

"I wish every sick woman would try it and be convinced." - MRS. IDA HASKELL, Silver Lake, Mass. Worthy Vice Templar, Independent Order of Good Templars.

When a medicine has been successful in more than a million cases, is it justice to yourself to say, without trying it, "I do not believe it would help me"?

Surely you cannot wish to remain weak, and sick and discouraged, exhausted with each day's work. You have some derangement of the feminine organism, and Lydia E. Pinkham's Vegetable Compound will help you just as surely as it has others.

# Mrs. Tillie Hart, of Larimore, N. D., says:

"DEAR MRS. PINKHAM: I might have been spared many months of suffering and pain if I had known of the efficacy of Lydia E. Pink-ham's Vegetable Compound a few months ham's Vegetable Compound a few months sooner, for I tried many remedies without find-ing anything which helped me before I tried the Vegetable Compound. I dreaded the approach of the menstrual period every month, as it meant much suffering and pain. Some months the flow was very scanty and others it was pro-fuse, but after I had used the Compound for fuse, but after I had used the Compound for Tuse, but after I had used the Compound for two months I became regular and natural, and so I continued until I felt perfectly well, and the parts were strengthened to perform the work without assistance and pain. I am like a differ-ent woman now, where before I did not care to live, and I am pleased to testify as to the good your Vegetable Compound has done for me." Sincerely yours, MRS. TILLIE HART, Larimore, N.D. Be it therefore believed hy all women Be it, therefore, believed by all women who are ill that Lydia E. Pinkham's Vege-table Compound is the medicine they should take. It has stood the test of time, and it has hundreds of thousands of cures
