Feeling so grateful to a kind Provi-dence and to Doctor Pierce for my restoration to health, and wishing most earnestly to have the pleasure of bringing relief to other sufferers, I have, within the past fifteen years, suggested and recommended Doctor Pierce's treat-ment to hundreds of ladies, and regard my efforts in this direction as grand

If invalid ladies will call at my home, 112 West 2nd Street, Sioux City, Tuesday, Wednesday, or Friday afternoons, from 2 until 4 o'clock, I will be pleased to relate my experience and direct them to a reliable source of relief and cure, and for this no charge will be made. IF YOU WANT TO KNOW WHAT AILS YOU the U. S. mail will bring you the best medica advice for only the cost of writing materials and stamps.

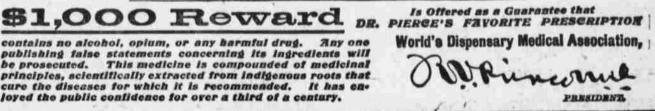

Many people owe their present good health to the fact that they consulted Doctor Pierce by letter, giving him all possible information about their condition, symptoms, etc., and received in return good medical advice which cost them nothing. Write to Dr. R. V. Pierce, founder of the Invalids' Hotel

and Surgical Institute, Buffalo, N. Y. Doctor Pierce by no means confines himself to prescribing his well-known medicines. He tells you in the most common-sense way what alls you, what you ought to do, what line of treatment should be followed in your particular case, and if your case does not indi-cate the need of his proprietary medi-cines, he tells you plainly and frankly what you do need, and the best possible

method of improving your health. Doctor Pierce treats many chronic cases at a distance, through the mail and all you have to do is to write him

describing your symptoms. A great deal of sickness may be saved by keeping on hand a copy of Doctor Pierce's thousand-page illustrated book, "The Common Sense Medical Advis-er." Sent free, paper-bound, for "The Common Sense Medical Advis-er." Sent free, paper-bound, for twenty-one one-cent stamps, to pay cost of mailing *only*; or cloth-bound for thirty-one stamps.
