HAYDEN BROS.

"One Out of A Hundred"

Frederic W. Taylor, Chief of the Agricultural Department of the St. Louis Exposition says of THE TWENTIETH CENTURY FARMER

"Of more than a hundred papers relating to agriculture, as classified at this Exposition, The Twentieth Century Farmer is one of four or five that I always look through even in my busiest times. I know of no paper which seems to me to be a more helpful weekly visitor to the farm, and the clear-cut articles written by practical men and illustrated in an illuminating way, seem to me ideal."

We will send sample copies three weeks free. If you like it, subscribe—otherwise it will stop promptly at the end of the three weeks. Price \$1.00 per year. TWENTIETH CENTURY FARMER, 1739 FARNAM ST., OMAHA, NEB.
