 Stock exchange the feature at the opening was the features of Americans. Otherwise, the market was quiet. Consols were casy and home rails were duil despite the board of Trade returns. Americans were feverish, rallied to above parity, reacted sharply during the fast hour on heavy realization and closed weak. Rio three station and closed weak and while reports train other plants.

Look for Missing Man. ST LOUIS, Dec. & -Relatives of Charles L. Muson, a wealthy young coal dealer of Paducah, Ky. who disappeared in this city November 19 after coming here from Chi-cago, believe he met with foul play. He wore diamonds worth several hundred dol-lars and is believed to have had between 500 and 81.700 with him. Detectives who were placed on the case the day after Mason's disappearance have failed to find a clue to the missing man.
