In conference with members of the senmessage in favor of an extension of the powers of the Interstate Commerce commission. With several members he discussed the subject today, earnestly advocating the reccommendations contained in his message. To two paragraphs in the message he has directed particular attention. In a talk with Representative Graff of Illinois he indicated these points of the

message: Above all else we must strive to keep the highways of commerce open to all on equal terms; and to do this it is necessary to put a complete stop to all rebates.

I do believe that, as a fair security to shippers, the commission should be vested with the power, where a given rate has been challenged, and after full hearing found to be unreasonable to decide, as to judicial review, what shall be a reasonable rate to take its place; the ruling of the commission to take effect immediately and

obtain unless it is reversed by the court Until 1897 the Interstate Commerce commission exercised the power to regulate teams of the eighteen who started away railroad freight rates, but the supreme court then decided that under the law the commission had no such authority. Western members of congress, especially, have urged on behalf of their constituents that the power recommended by the president be conferred by law on the commission.

Strengthen Swayne Case.

LONDON, Dec. 9 .- a dispatch to the Japanese legation from Tokio, dated today,

on Generals.

BAYR The naval staff at Port Arthur reports that on Thursday evening the Pallada was set on fire and heeled to port with its stern sunk. Eleven shots int the Gillak (gunboat). The Hayan took fire at 11:30 and is still ablaze at 4:15 p. m. The Amur (transport) was hit fourteen times and sunk. Many shots greatly damaged the warehouses and other buildings near Pelyu mountain and the arsenal.

HEADQUARTERS OF THE THIRD JAPANESE ARMY BEFORE PORT AR-THUR (Via Fusan), Dec 9 .- On the night of November 26 the Japanese established replying to the claims of creditors who infantry trenches inside the parapets of the I am not going to Cleveland tonight. I am tired enough to sleep well, I think, even behind these awful bars. It has been an extremely trying day and I am thankful the seeking to have him declared insolvent an extremely trying day and I am thankful that it is over. I do not care to go through many more such ordeals."

The matron said Mrs. Chadwick showed the matron said Mrs. Chadwick showed the federal bankruptcy laws, as they are gambling debts.

The other vessels are making no effort to escape.

Two Russian officers captured at Two PERRY ACQUITTED OF ARSON Hundred and Three Meter hill, one belonging to the navy and the other to the army, are being treated with the greatest courtesy by the Japanese staff in consideration of similar treatment accorded to Japanese officers captured by the Russians. Special arrangements have been made to transport the officers to Japan. This is taken as an indication of the disposition of both sides to end the Works plant to obtain the insurance, was ferocity characterizing the fighting for months past, during which quarter was

neither asked nor given. Russian prisoners report that food supply of the garrison is insufficient. The men subsist on short rations of bread made of a mixture of flour and coarse grains, while the officers get horseflesh twice a

Dysentery and typhold, the prisoners say, are very prevalent. Owing to the bad weather a supply of fresh vegetables cannot be obtained and the supply of tinned meats was finished a month ago. The appearance of the prisoners goes to

substantinte their statements. They were well clothed, but emaciated. The Japanese regard the refusal of the Russians to accept an armistice, which had been asked for and granted for the purpose of gathering the killed and wounded on 203-meter hill, as the overruling of the humane desire of General Stoessel by the officers commanding the forts. It was feared by these officers, the Japanese think, that their men would desert and

formation regarding the forts. Russian prisoners report that General

Japa Commandeer Merchantman. SAN FRANCISCO, Dec. 9.-News was received here today that the Japanese liner America of the Toyo Kisen Kaisha company has been commandeered by the Japanese government and will be placed in commission as an auxiliary cruiser. It was scheduled to leave Yokohama today for this city. As a result of the liner being taken from the route no vessel of the line will sail from here for the Orient on Janu-

ary 3, as has been scheduled. Honors for Generals. ST. PETERSBURG, Dec. 9.-Emperor Nicholas has conferred upon Lieutenant General Sakharoff and Lieutenant General Bilderling gold swords of honor set with

The admiralty announces officially that while the only ships still in the Baltic will be made ready as soon as possible against pocket Monday night shortly before his any eventuality, no decision has yet been ody was found. The police say they are arrived at regarding sending them to the far east. The battleship Slava, the only modern battleship, will not be completed before early in the spring. Japanese Make Response.

TOKIO, Dec. 9.-11 a. m.-Baron Komura, minister of foreign affairs, has delivered the Japanese response to the invitation of the American government to participate in the proposed conference, to Mr. L. C. Griscom, the American minister, who has transmitted it to his government at Washington. The text of the response has not been made public.

8 p. m.-The latest observations of the Japanese commanders in front of Port Arthur show that there is no activity in Next Monday the through rate to Chi- the west harbor or in the visible portions of the cast harbor. The Russians, strangely, are not replying to the Japanese

In disabling the Russian fleet at Port being able to reinforce the Russian second Pacific squadron, the Japanese have accomplished the main object of the desperate assaults against the fortress which they have been making for the past three months. There is now strong probability that, while continuing the siege, they will avoid losses of the magnitude already attending their efforts, and, instead of assaulting, will rely on starving out the garrison until it is finally captured.

Surprised at Nonresistance.

9 p. m .- Considerable astonishment is ex-

pressed here over the fact that the Rusgians in no way resisted the disabling of the Port Arthur fleet. In certain quarters the opinion is entertained that the Russians opened the seacocks of the sub-Mrs. Chadwick would have waived exam- SIXTEEN BODIES ARE FOUND merged vessels so far as to lessen their exposure to the Japanese fire. The recent cessation of mine clearing was taken as evidence that the fleet did not intend to make a sortie. There was no sign of life on the Russian ships during the bombardment and from this fact it is concluded BURNETT, Wash. Dec. 3.-Four more that the bluejackets took refuge on 1:nd
