Schmoller & Mueller's Grand Sale of Highest Grade Pianos

This is not a sale of "old stocks" or of "pine boxes" with celluloid keys that can be bought anytime for \$5 to \$10. THIS IS a sale of the finest pianos made in this or any other country—pianos that any home is proud to have and include the very latest advance ideas of piano construction from the well known factories of "Steinway," "Steger," "Emerson," "McPhail," "A. B. Chase," "Hardman," "Steck," "Reed," "Baus," "Davis" and many others in upright and small grands, fancy or plain, beautiful rare natural mahogany, walnut or oak of light and dark shades, presenting altogether for your inspection quality and variety not shown elsewhere.

Beautiful patent grand uprights, empire style, something entirely new, exquisite tone; ask to see them. Our success grew out of our playing on one of these, made to all at \$50 net. To introduce them we join the manufacture in reducing the price to \$15 and we will accept terms as low as

\$10 Cash and \$5 Per Month

\$400 to \$500 concert uprights with tone capacity equal to the largest homes, brand new, just out of the car; you will think the price must be a mistake when you see them cut down to

\$268-\$280-\$292

It's a forcible illustration of our natural advantage in merchandising fine pianos.

\$300 to \$400 brand new, upright pianos, especially high in quality, pianos that will carry joy and contentment to the hearts of their happy recipients, fully guaranteed. Now reduced to

\$210-\$194-\$182
Cash or \$5.00 Monthly Payments

New Sample Uprights \$128-\$135 to \$165

Made to sell at fully double our price, more positive bargains are beyond realization. Secure your piano now, we will arrange the terms. The "putter off" does not secure the cream of the stock. Write for catalogue, prices and terms, or visit our warehouse, where you are welcome whether you purchase or not. Pianos moved, tuned and repaired at lowest rates—reliable, prompt service.
