FOR SALE—REAL ESTATE

HARRISON & MORTON. WEDNESDAY BARGAINS FLORENCE BOULEVARD.

We have raised the price of our boulevard lots \$50 each. The east fronts are now and gas, lies very sightly and beautifully, with native forest trees. Go up and look at it and you will see why we raised the price. If not sold we will raise these lots to \$1,000 in the spring.

Further up the boulevard we still offer 821/4x300 for \$1,250. This we think is cheap. We have had an offer of a little less than our price, but have refused to take it. Mrs. Schneider is just starting a new building

Florence boulevard, \$3,600; can divide it at \$1,800. This combines city and country advantages in a most admirable way. Look \$150 an acre. We think we ought to raise

the price on this, as we know of nothing within \$100 an acre as cheap in the same vicinity. However, we think we would accept \$150 an acre this week. We have raised the price on 2417 Dodge to \$3,700. This has 53% feet on Dodge by 124

on alley, corner; good 8-room house and barn, right in the heart of the best inside residence district in town. Ten acres at 36th and Center, \$8,000. This once would have sold readily for \$:0,(0) and

will sell for that much again. It is just what you want if you want a home with a big lot of ground that will grow in value; The Weaver house, 2613 Pierce, \$3,200. This we consider worth \$4,000. Mr. Weaver has

gone to California and says to sell the property. The house has 9 large rooms; large barn; lot 60x160; property all clear. Might make easy terms. If we don't sell this, might rent it. HARRISON & MORTON, 912-913 N. Y. Life. Tel. 314

Bee Saturday, Dec. 10, 1904; delayed from 100 acres close in, \$400 an acre. 50 acres close in; want offer. 10 acres, fine house, S. W .- \$6,000.

WANTED, THE DEAF TO HEAR. The gold medal awarded the Hutchinson Acoustic company, of New York, manufacturers of the Acousticon, to enable the deaf to hear—the Massacon, for the correction of catarrhal deafness, is a fitting tribute to the exhibition, which has perhaps attracted more attention from the general public than any exhibit in the Electrical Palace.

The inventor of these instruments was presented with a magnificent gold medal, appropriately inscribed, by her majesty, the Queen, in 1962.

A most interesting sight of the Fair has been the deaf and dumb children being taught to speak and hear by means of these wonderful instruments.
