

Miss Agnes Leopold

What a Leading Dressmaker Says

Miss Agnes Leopold, who has one of the leading dress-making establishments in Neenah, Wisconsin, writes Dr. Pierce as follows:

Dear Sir—A few years ago when my health was greatly impaired on account of womb trouble, I was advised to try Dr. Pierce's Favorite Prescription. The first month's use benefited me greatly. I had less pain at this period and did not have to go to bed as had been the custom. I felt very pleased and kept taking the "Prescription" for four months, when I was in perfect health. Good health is a great blessing and I feel that I owe it all to your "Favorite Prescription," and consequently am very grateful to you.

Weak Women are Made Strong and Sick Women Made Well by Dr. Pierce's Favorite Prescription.

The treatment and cure of many thousands of women suffering from chronic weakness and distressing ailments at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., led to the putting up of "Favorite Prescription" for home use in its present perfected form.

ACCUSED POLICEMAN MAKES HIS DEFENSE

Officer charged with manslaughter introduces testimony to show he was not responsible for Keating Saloon Tragedy.

While the sisters and brothers of the late George O'Neill sat in the criminal court during the trial of Policeman Moore yesterday, Dr. H. P. Hamilton on the stand for the defense balanced a grinning skull on his fingers and with professional coolness told of the autopsy—how they split the scalp and took a saw and cut off the skull.

The case of the defense as it develops, appears to be to show O'Neill came to his death by jerking away from the patrolman and striking his head against the glass screen. Dr. Hamilton who performed the operation at the hospital before the death of the young man and also took part in the autopsy, testified when he first saw O'Neill he was in a very bad condition and the trepanning was done as a last resort without much hope in recovery.

ROY HEROLD TESTIFIED O'NEILL HAD CALLED THE OFFICER A BAD NAME AND SAID HE COULD NOT TAKE HIM TO JAIL. He testified the

mirror was broken by the officer's hand and not by the head of O'Neill.

The closing witnesses for the state were Emma Richardson and Miss Golden, who testified the place where Moore had O'Neill in the street. They testified the officer was calling him bad names.

Mrs. O'Neill and Anna McGinnis were also put on the stand. They testified the dead man was 20 years old and weighed 125 pounds.

most perfect specific for woman's peculiar ailments. So uniform are the results which follow the use of this remarkable remedy, that it can be truly affirmed "Favorite Prescription" that it always helps and almost always cures. 98 per cent. of the women who give this medicine a fair and faithful trial are cured and remain cured.

It is a powerful invigorating tonic, imparting health and strength to the womb and its appendages. The local womanly health is so intimately related to the general health that when diseases of the delicate womanly organs are cured the whole body gains in health and strength. For weak and sickly women who are "worn-out," "run-down" or debilitated, especially for women who work in store, office or school-room, who sit at the type-writer or sewing machine, or bear heavy household burdens, Doctor Pierce's Favorite Prescription will prove a priceless benefit because of its health-restoring and strength-giving power.

A FORWARD MOVEMENT IN THE CAUSE OF TEMPERANCE.

The women of the United States are more and more interested in the temperance question, and recently there has been considerable agitation about alcoholic medicines. Dr. Pierce's Family Remedies are "white ribbon" medicines, because they do not contain a particle of alcohol, opium, or harmful drugs.

Dr. Pierce's Favorite Prescription is a pure compound of medicinal plants, scientifically extracted and combined, that will cure the diseases peculiar to women. It is a medicine which the world's public confidence for over a third of a century.

It isn't fair to start a baby out in life loaded down with the chains and man-

acles of ill-health. A baby ought to have an even chance any way. A mother can do a great deal to give her baby a fair start. She can almost always give him a healthy constitution by taking proper care and building up her health during the time when baby is expected. Dr. Pierce's Favorite Prescription has done wonders for expectant mothers and their babies. It gives health and strength to the mother at the time she needs it most. It purifies the whole system; gives endurance and elasticity to the special organs of maternity, and healthful tone to the nerves. It makes confinement shorter and easier; protects the mother from prostrating relapse and promotes a good supply of healthy nourishment for the child.

It is the only medicine that does all this. It is the only medicine for women devised by a regularly graduated, skilled and experienced physician. Dr. Pierce's medicines are standard remedies all over the world.

Every woman ought to be afraid of a cough. It is nature's danger signal. Who does not know of some sweet woman-voice silenced forever by disease which began with a slight cough.

The use of Dr. Pierce's Golden Medical Discovery will ensure a permanent cure of the most obstinate and lingering coughs. Even when the lungs are involved and there are hemorrhages and emphysema, "Golden Medical Discovery" is generally effective in restoring the diseased organs to sound health and strength. There is no alcohol in the "Discovery" and it is entirely free from opium, cocaine and all other narcotics.

I am feeling quite well, writes Miss Dorcas A. Lewis of No. 129 24th Street, Washington, D. C., "and I owe it all to Dr. Pierce's Golden Medical Discovery. I had been quite a sufferer for a long time, and after reading Dr. Pierce's Common Sense Medical Advice thought I would try his Golden Medical Discovery. I had not been sleeping well for a long time, and I had been a great sufferer for more than ten years. I tried lots of different medicines and different doctors, but did not get better. I coughed until I commenced spitting blood, but now I feel much stronger and am entirely well."

Dr. Pierce's Common Sense Medical Advice, in paper covers, is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

A sure and permanent cure for constipation is Dr. Pierce's Peppermint One "Pellet" is a gentle laxative, two a mild cathartic.

OFFICERS OF GRAND CHAPTER

Francis McGovern of Fremont is Elected Grand High Priest.

GRAND COUNCIL ALSO HOLDS ELECTION

Masons Are Guests of G. W. Lintinger at Art Gallery, as is Custom at Such State Gatherings.

The formal business session of the grand chapter, Royal Arch Masons of Nebraska, began yesterday morning at Masonic temple, with Grand High Priest B. F. Thomas presiding. There are fifty-five chapters in the state and nearly all of them are represented at this meeting, there being about 100 delegates, including the past grand masters, present.

The election of officers was held yesterday afternoon with the following result: Francis McGovern, Fremont, grand high priest; Robinson Geisler, Lincoln, deputy grand high priest; W. W. Wright, Beatrice, king; Francis E. White, Omaha, grand secretary; L. D. Richards, Fremont, grand treasurer; Robert W. McGinnis, Lincoln, grand scribe.

The appointive officers are yet to be selected by the grand elective officers. The annual convention of Nebraska Masons held its annual convention at Masonic Temple Wednesday afternoon and elected the following officers for the ensuing year: Gustave Anderson, Omaha, grand master; L. D. Woodruff, Lincoln, deputy grand master; Charles C. Cannon, Schuyler, G. P. conductor of work; John S. Harman, Tascumb, grand treasurer; F. H. White, Omaha, grand recorder; John J. Mercer, Omaha, grand chaplain; Charles W. Brown, McCook, grand captain of the guard; John E. Simpson, Omaha, grand conductor of the council; Fred J. Schanfeberger, Hastings, grand steward; Jacob King, Omaha, grand sentinel.

Following the election of the officers, the grand chapter was invited to visit the Lintinger art gallery as the special guests of Past Grand High Priest G. W. Lintinger. A light luncheon was served at the gallery by the host. The affair was informal and was but a continuation of the annual convention of Mr. Lintinger to entertain his Masonic brethren at the gallery on the occasion of their yearly meetings.

Omaha and Bellevue chapters, Royal Arch Masons, entertained the members of the grand chapter at a banquet at Masonic temple Wednesday evening. Grand High Priest Thomas acted as toastmaster. A special feature of the banquet was a number of testimonial addresses in honor of Past Grand High Priest G. W. Lintinger, who had just reached the seventh anniversary of his birth. The addresses were eulogistic of the career of Mr. Lintinger both as a citizen and his long and loyal services in the cause of Masonry in Nebraska.

WITNESS AGAINST PARTNER

Young Man Gives Star Testimony for State in Trial of Alleged Counterfeiter.

William Heberling is on trial before Judge Carland in the United States court on the charge of alleged counterfeiting. The accused with Daniel Mummy, was indicted at the May, 1903, term of the federal grand jury for having in their possession with the intention of passing the same, four counterfeit silver dollars at St. Edwards, Neb. Mummy was arrested at St. Edwards, subsequently and was released on bonds. He was but a mere boy and it was believed at the time he was merely the unwitting tool of Heberling. He gave some valuable testimony before the grand jury, which resulted in the indictment of Heberling as the principal and Mummy as accessory.

Heberling succeeded in eluding arrest until a couple of months ago, when he was finally located in the zinc mines at Neck, Mo. Captain John Wash of the United States secret service went to Neck, and succeeding in capturing his man and he was later brought to Omaha and lodged in the Douglas county jail. In his hearing before Judge Carland the principal witness against him is young Mummy, his alleged confederate. Mummy will occupy the remainder of the day.

TOODLES IN POSTERLAND

Miss Sturgess' New Piece Will Be Put on by Omaha Press Club.

The Omaha Press club has secured for its annual entertainment, the new and original production of "Toodles in Posterland," under the direction of Thomas P. Gels, with 150 local people in the cast. The scenic investiture and costumes all will be new and elaborate. There are twenty-five musical numbers, all very bright, catchy and have that musical rhythm that makes every one hearing them hum them.

"Toodles in Posterland" is the work of an Omaha girl, Miss Pauline Sturgess, while the music is by W. N. Kinross of Chicago. It will be given at the Boyd the latter part of January.

WANTS THE BUILDINGS MOVED

Man Claiming to Own Ground Under Medical Colleges Seeks Redress in Court.

The east wall of the building owned by the college of medicine of the University of Nebraska, and occupied by that college and by the dental college of the University of Omaha, seems to rest on land the property of William Herrmann. At least, Mr. Herrmann says so, and has instituted proceedings in the district court to make the colleges move over. He says he is the owner of a strip one and two-thirds feet wide, running from the front of lot 7, block 25, at the east edge from the street, thirty-seven feet back. On this strip has been built the wall of the college building and it has remained there since April, 1899. Mr. Herrmann also says the cornice of the building was made to jut out over his premises in a very careless and negligent manner, so that in winter snow and ice fall therefrom in large quantities upon his own little house and make trouble with him. So he asks the court for possession of the thirty-seven-foot long strip of land and for \$1,250 damages to set him right with the world for past grievances.

SCRIBNER TRIES NEW REMEDY

Union Pacific Tax Commissioner Improves Under Treatment of Abstaining from Food.

Arthur W. Scribner, tax commissioner for the Union Pacific, has returned from California, where he has been for rest and health. Mr. Scribner is able to sit up and his friends are pleased with the improvement in his appearance. He is suffering from a nervous disorder of the stomach and his physicians have begun a new treatment that has proved successful in many similar cases. No food will be given him for a time, and if the treatment proves successful it will be continued until he is better. He has gone four days without taking solid food and it is believed his recovery will be speedy if the treatment carries out the anticipations of his physicians.
