Sum Total of It.

The sick man's regular physician had called in two other pill dispensers for a consultation.

"Woll," said one of the new arrivals, "have you, summed up the case thoroughly?"

he doesn't know how clever it really was "Only to the amount of \$500 so far," anand what a lot of cash it saved him."-New swered the M. D. in charge.-Chicago News,

Freight Car that Disappeared. In the recent railroad accident on the Worcester, Nashua & Portland division of the Boston & Maine at East Barrington, N. H., when an extra freight from Nashua crashed head on into an extra freight from it, a Boston & Maine car on the train standing still disappeared and for hours the efforts of the railroad men to find it were unavailing.

The accident occurred a little after midparting "snifter" with a friend just before boy, ragged and apparently half starved, called in. The wrathy old fellow was mad night. From that time until daylight the clear through and he was going to fight the railroad telegraph operators along the line case all the way up to the highest court from the scene of the wreck to Portland A crowd quickly collected about them, and back again if necessary. He was a made the wires hot in their efforts to trace place and practical in shape, but of the The boy continued to cry until the crowd personal friend of mine and I didn't want the missing car, as it was thought that it had thickened, when he raised a shrill to see him waste his money foolishly, so might have got uncoupled and jumped from voice and repeated the following formula: I advised him to compromise it. might have got uncoupled and jumped from the train, or had been left at some station.
