Announcement: Santa Claus Has Arrived

HE HEREBY REQUESTS That all the good little boys and girls are to meet him at Hayden's as he has decided to make Hayden's Toy Bazar His Distributing Point this year. Santa Claus says to have each little boy and girl make their selection at Hayden's, because, he says, he has not seen such fine presents anywhere as he found at Hayden's.

Suggestions to mothers and fathers and the grown girls and boys are so numerous in our Holiday display that "Shopping at Hayden's" will add happiness to the glad days of Christmas giving. Yours Faithfully, SANTA CLAUS—by His Herald, Jack Frost.
