> Uricsol the Only **Cure for Rheumatism**

If you are suffering from rheumatism there is a chance for you to become absolutely cured. You may cure yourself and do it quickly if you will lay aside your prejudice and skepticism. Sherman & McConnell, the Omaha

druggists, 16th and Dodge Sts., carry Uricsol, the Californa remedy, and we hereby authorize them to guarantee a cure. Uricsol cures rheumatism in the only

possible way it can be cured. Uric Acid and Urates are the cause

of rheumatism. These are deposited in the tissues, blood vessels and joints of the body. These deposits must be dissolved and eliminated from the system before a cure can be accomplished.

Uricsol is a solvent of these and tones up the system, stimulates the kidneys, liver and bowels and thus drives them

from the system. Uricsol is harmless and no injurious results can possibly come to any part of your body.
