## PE-RU-NA PROVIDES PROTECTION AGAINST THE ILLS OF WINTER

Miss Minnie Langlotz, 510 Water street, Menasha, Wis., member Woman's Bowling Club and Menasha Star Cycling Club, writes:

"Ten bottles of Peruna enred me of a protracted case of bronchitis. There is no superior remedy that I know of. The way Peruna eliminates the poison from the system is simply marvelons. "I cannot say too much in its praise, as I found it acted so quickly and effectually in my case. I heartily endorse it and feel sure that all who try it will be pleased with it."

NO BAIL YET FOR M'CREEVY

O'Neill Banker Makes No Move to Secure His Release from Jail.

HAS CONSULTATION WITH ATTORNEY

Arisona Held in Custody of Sheriff for the Present by Order of the Court.

O'NEILL, Neb., Dec. M .- (Special Tele gram.)-Bernard McGreevy, the ex-banker, spent a quiet day in the Holt county jail oday and no move was made looking toward bail.

Sheriff Hall brought back with him draft for \$679.30, which appears to be all the money McGreevy had with him in Arizons. The sheriff is satisfied that the stories about large amounts were purely fictitleus and had no foundation in fact. He learned that McGreevy had purchased a sixth interest in the Mayflower group of mining claims, near the old Silver King mine, east of Phoenix, and that he had hecked out something over \$300 in payment on the purchase. This was the mining deed mentioned as being found on McGreevy when he was arrested.

County Attorney Mullen secured a temporary injunction today in the district court estraining the sheriff from turning over the money he brought back to any one until the court should determine to whom the money belonged. The county attorney also filed a petition in the district court asking for a receiver to hold the money until ordered disbursed by the court. It is understood the action met with the approval of the sheriff, as it to his desire to save the money he brought back for the depositors.

During the afternoon McGreevy was taken by the sheriff to the office of his attorney for a consultation. After the interview with his attorney McGreevy declined to make any further statement, saying he had told the reporters already all he knew about the failure, and still maintains that the books of the bank will show that he has none of the money belonging

Building Boom at Papillion. PAPILLION, Neb., Dec. 30 .- (Special.)-During the last year Papillion has enjoyed building boom that it has not seen for good many years, showing that business is in a very prosperous condition. Besides the many new residences which have been erected the following business houses were built: J. E. Curti, brick store building; CHRISTIAN Mrs. E. Bloesel, two-story brick store building; Frank Heisel, store building; J. C. Wright & Son, elevator. The county court house has been enlarged to furnish offices for the county attorney, assessor and clerk of the district court. These new buildings have greatly improved the town, and with the new cement walks on Main street Papillion is very citylike.

WONDERFUL CURE

OF SORE HANDS By Cuticura After the Most Awful Suffering

Ever Experienced. **EICHT DOCTORS** 

And Many Remedies Falled to do a Cent's Worth of Good.

"About five years ago I was troubled with sore hands, so sore that when I would put them in water the pain would very nearly set me crazy, the skin would peel off and the flesh would get hard and break. There would be blood flowing from at least fifty places on each hand. Words could never tell the suffering I endured for three years. I tried everything that I was told to use for fully three years, but could get no relief. I tried at least eight different doctors, but none of them seemed to do me any good, as my hands were as bad when I got through doctoring as when I first began. I also tried many remedies, but none of them ever did me one cent's worth of good. I was discouraged and heart-sore. I would feel so bad mornings when I got up, to think I had to go to work and stand the pain for ten hours, and I often felt like giving up my position. Before I started to work mornings I would have to wrap every finger up separately, so as to try and keep them soft and then wear gloves over the rags to keep the grease from getting on my work. At night I would have to wear gloves in bed. In fact, I had to wear gloves all the time. But thanks to Cuticura, the greatest of all great skin cures. After doctoring for three years, and spending much money, a 50c. box of Cuticura Ointment ended all my sufferings. It's been two years since I used any and I don't know what sore hands

are now, and never lost a day's work while using Cutlcura Ointment." THOMAS A. CLANCY, 310 N. Montgomery St., Trenton, N. J.

General Powell Clayton, having decided
to relinquish his post as ambassador to
Mexico, will be succeeded by Edwin H.
Conger, now United States minister to
China. It is not expected that Conger
will long remain at the Mexican capital,
as he is expected to return to lowa, his
home state, to be a candidate for governor
in succession to Governor Cummins When
he leaves the City of Mexico he will be
