The Roosevelt Doctrine

For \$1.80—the price of the magazine alone. This is a copyrighted book. It is edited by E. Garrison, is bound in cloth, is bandsomely printed, contains 190 pages, and sells through the book trade for \$1.00. The METROPOLITAN pays all postage on the book and on the 12 magazine. \$1.80 includes everything. This offer should appeal strongly to every man and woman in

THEODORE ROOSEVELT (Copyright, 1964, by Arthur Hewitt.)

What the Book Is: No more human document has been published for years than these utterances by the President. Seldom has a public man so candidly revealed himself and laid bare-his inner personality.

It is a book that should be read carefully by every American, no matter what his party affiliations may be. Nowhere else can be found expounded the faith and tenets which our fellow countrymen have decided to regard as American, pure and simple, and nowhere else can be found so convincing as exposition of our duties and rights as American citizens.

(This book is published by R. G. Cooks, New York.)
