WHAT THE BOOK IS: It is a book that should be read carefully by every American, no matter what his party affiliations may be. Nowhere else can be found expounded the faith and tenets which our fellow countrymen have decided to regard as American, pure and simple, and nowhere else can be found so convincing an exposition of our duties and rights as American citizens.

Leslie's Weekly says: "It is worthy of a place in the library of every household." (The book is published by Robert G. Cooke, New York).
