It of April. According to the arrangements is true that a series of Boer meetings is made he will first visit Paris, probably arannounced to be held throughout the coun- riving there on May 1. After a ten or try during the next four weeks; possibly twelve days' stay in the French capital his these may teach the representatives of the government something.

In the meantime it seems necessary that there should be no undue haste in promulgating the order in council containing the new constitution of the Transvaal. The people of the colony are only just beginning to find themselves able to realize the difference between side issues and the fundamental principle.

Pleased with Chinese, LONDON, Feb. 11.-(Special Cablegram to The Bee.)-With reference to the statement made by Lord Teynham, the chairman of the Rand Victoria Mines (Ltd.), at the an nual meeting of that company, Lord Harris,

the chairman of the Consolidated Gold Fields of South Africa (Ltd.), has made the following statement this week:

<text><text><text>

tion amount to £4,500.

DUKE'S VISIT CAUSES TALK

Prince of House of Savoy Said to Have Had Meeting with

the Pope.

ROME, Feb. 11.-(Special Cablegram to The Bee.)-The question of the alleged visit of the duke of Genoa, brother of Queen ment. Margherita, to the pope has roused a storm of polemics in the Italian press. The Patria, the organ of the Free Masons, at tacks most vehemently all those who dare believe that a prince of the house of Savoy would go incognito to the pone, thus humiflating not only himself but the whole

of Italy. The democratic Messagero states that such a visit would only be possible after an established at the Le Fevre symmasium in explicit invitation on the part of the Vati- the Rue du Oblisee, in Paris, under the can, in which case it should take place not management of Dr. DeVillers. The safe and lock company showed that sociated Press today, said, My official reports from Sosnovice show that thirty-three persons were killed and thirty-six wounded, eighteen of whom were seriously hurt, in the conflict at the Kath-arinen iron works on Thursday. The sociated Press today, said; the safe belonged to them, the bank having secured the safe on the installment plan Attorneys for John S. Level, formerly a private banker here, told the court that the mahogany and marble trouble began when a large body of strik-ing miners tried to force the furnace men of the firon works to put out the fires and join the strike. The mob became violent, broke down a fence and forced an entrance into the works, which were guarded by two companies of infantry. The officers or-dered the crowd to leave, but they refused. Suddenly a striker drew a large knife and rushed at an officer. The soldiers then fired on the mob, which immediately fied, leaving the dead and wounded. trimmed furniture was borrowed from Level. A restraining order was prepared Burlington said tonight that the past twenat once and the sale of the fixtures forbidty-four hours had been the worst on his den. Receiver Day expressed the hope that ine since the winter of 1881. No freight there would be enough left to cover the trains whatever are moving, and no pasamount of \$200, which he paid in order to senger trains except on the main line, and free the bank from entanglement of a these are moving with difficulty, preceded justice court judgment.
