Owes School District Almost Double Amount First Supposed.

DUPLICATE CREDIT FOR WARRANTS PAID

Cancelled Warrants Cannot He Found and McGreevy Says He Does Not Know Where They Are, but He Left Them in Bank,

citizens of the O'Neili school district in mass meeting today passed a resolution to not accept the proposition offered by their ex-treasurer, Bernard McGreevy, and passed another resolution calling on the board to collect the amounts found due the district in any manner found to be available. The special committee appointed to examine the accounts of the ex-treasurer found the amount due to be \$4,300 intsend of \$2,711, as reported by McGreevy. In this connection Secretary G. W. Smith of the school board reported that he found where McGreevy had taken credit twice in several cases for the same warrants. The paid warrants are not to be found to use in making the comparison, but Secretary Smith says that in some cases only the number of the warrant was entered in the register of warrants paid, and in other cases only the name of the person to whom the warrant was made payable.

When the committee called on McGreevy at the jail and explained to him the situation he said that he did not know that he owed that amount, but that if he did owe that much he guessed he would have to pay it. No explanation was offered by McGreevy as to where the paid warrants are except that he says he left them in the bank vault and does not now know where they are. After the meeting adjourned there appeared to be some difference of epinion among those present as to just what powers were vested in the school board by the resolution passed.

STATISTICS OF BANK FAILURES Secretary Royse of Banking Board Compiles Some Figures. (From a Staff Correspondent.)

LINCOLN, Feb. 12 -- (Special.) -- Secretary Royse of the State Banking board is compiling statistics for his annual report. Among other things he will show is the per cent of deposits lost by reason of bank fallures. In 1901 the per cent was .0003; in 1902 the loss was .006 per cent and in 1903 the per cent was .0004. From January 1 until November 24, at the time the last call was closed, there had not been a single bank failure in the state, the O'Nelli bank having failed after the call had been closed. There is still in the hands of the receivers for the defunct banks \$200,000. The nine banks that have failed have paid to depositors 64 per cent of the money on deposit, besides the money still in the hands of the receivers. The total deposits for these years was as follows: 1901, \$31.-431,358.84; 1902, \$34,487,619.26; 1908, \$37,073,882.24; 1904, \$39,575,183,14.

A number of residents of Box Butte county arrived in Lincoln today to argue the Griffin Irrigation bill. The meeting will be held Wednesday afternoon, but the westerners concluded to get here on time.

EXPERIMENTS ARE ALMOST FATAL Escaping Gas from Engine Overcomes Several People.

PAPILLION, Neb., Feb. 13.-(Special.)-During an experiment Saturday, conducted by H. P. Senator Warren's bill opening the Shothone reservation, is made a part of the Indian appropriation bill which is now before the committee on Indian affairs of the senate. A separate measure opening this reservation was defeated in the house by reason of a preferential right being accorded Asmus Boysen of Council Bluffs to locate 640 acres of land in that reservation in compensation for money expended in prospecting work.

Senator Warren's bill, which has been attached to the Indian appropriation bill eliminates the Boysen claim and only sets orth the treaty as concluded between the Indians and Major James McLaughlin, United States Indian inspector. There is owever, a scheme on foot to introduce the Boysen claim into the conference committee, which must necessarily result be cause the senate committee has agreed to already report ten pages of new matter in the appropriation bill, and the bill is not half completed. Senator Stewart chairman of the committee, stated today e hoped to report the bill on Thursday but there are so many amendments re ported by the sub-committee that the re port may be considerably deferred.

Cold Record Broken at Kansas City. KANSAS CITY, Feb. 15.-The climax of the severe cold spell which began on January I, since which time the temperature has never arisen above the freezing point, was reached at 6 o'clock this morning, when 21.2 below zero was recorded by the government thermometer and 25 degrees by other thermometers, the official instrument being affected by dense smoke from chimneys nearby. The weather forecaster cor cedes that the former official low record of 22 below zero on February 12, 1899, has been broken. Fifteen inches of snow lie on the ground and the sky is clear. The coldest January on record is being followed by an unprecedented February.

This statement of conditions in Kansas City may be extended to western Missouri, Kansas, Nebraska. Oklahoma and Indian Territory, all points reporting the coldest weather of the winter and most of them the coldest ever known. A dozen persons have been reported frozen to death in the southwest in the last two days. Winter wheat is covered by snow and is not affected by the cold. Stock losses are not heavy because owners had ample warning. Trains on all railroads are delayed by snowdrifts, the wind carrying the dry snow into the cuts. The temperature throughout the southwest has moderated today, but zero temperature is general tonight. Salina was the coldest point in Kansas

reporting 31 degrees below zero. In central and western Kansas the wind ecame a gale, piling the snow high in the cuts, and the temperature went to 30 degrees below zero. Practically no snow has fallen in the past twenty-four hours, but the snows of the three days previous were blown into huge drifts that effectually blocked railway traffic. S. C. Thomas and Wife Celebrate Their 60th Anniversary and Attribute Their Vigorous Health and Activity to the Regular Use of Duffy's Pure Malt Whiskey.

Pavillion, Sept. 14, 1904. "I am in my 83rd year, and preserve my health and keep my strength up by the use of Duffy's Pure Malt Whiskey, I have taken it for several years past, and think It the grandest medicine for old people in the world. My wife and I have just celebrated the 60th anniversary of our marriage, and the way I now feel I expect to live and enjoy life for many years to come "-S. C. Thamas.

DUFFY'S PURE

Is the purest, most nourishing, and wholesome tonic-stimulant and invigorator known to science, and it can be retained by the weakest stomach after all other remedies have failed. The record of this health-giving, life-prolonging medicine covers a period of more than fifty years, during which it has effected over 4.000,000 cures, and in the United States alone nearly 5.000 hale and hearty old men and women who have passed the century mark cheerfully admit that they owe their vigor, health, and advanced years to the continued and regular use of Duffy's Pure Mait Whiskey. It is prescribed by doctors everywhere in combatting disease, and it is used in all the leading hospitals of the country. It purifies and invigorates the blood, tones up the heart, builds up and renews weak, wasted, and diseased nerve, brain, and muscle tissues, and gives new life, vitality, and strength to every organ of the body. For all stomach troubles and as an aid to digestion, it is invaluable, and it is a positive cure for pneumonia, consumption, grip, nervous prostration, diseases of the throat and lungs, and all run-down and weakened conditions, whether due to worry, overwork or stekness.

or sickness.

Duffy's Pure Mait Whiskey contains no fusel oil, and is the only whiskey recognized by the Government as a medicine.
