

At the New York State Assembly of Mothers, a prominent New York doctor | Danville Art Club, 439 Green St., Dantold the 500 women present that healthy American women were so rare as to be almost extinct

This seems to be a sweeping statement of the condition of American women. Yet how many do you know who are perfectly well and do not have some trouble arising from a derange-ment of the female organism which When women are troubled with manifests itself in headaches, backaches, nervousness, that bearing-down feeling, painful or irregular menstruation, lencorrhosa, displacement of the uterus, ovarian trouble, indigestion or aleeplessness? There is a tried and true remedy for all these ailments. Lydia E. Pinkham's Vegetable Compound has restored more American women to health than all other remedies in the world. It regulates, strengthens and cures diseases of the female organism as nothing else can. For thirty years it has been curing worst forms of female com-

(From a Staff Correspondent.) WASHINGTON, Feb. 20,-(Special Telegram.)-The Indian appropriation bill reported from the senate committee on Indian affairs today contains a larger number of mendments than has been attached to an ndlan appropriation bill for years. Senator Stewart is going out of the senate on March 4, the bill looks as if he desired o clean up in the form of amendment all infinished business in his committee room. In view of the wide discussion over Senator Bard's statement that he had been assured of twenty doubtful congressional listricts going republican by a priest of the Catholic church if he would favor an appropriation of \$150,000 for Catholic schools n Indian reservations, the Indian approriation bill carries an amendment that no ortion of the funds appropriated nor the rincipal or interest of any Indian trust or ribal funds shall be expended for the support of any sectarian or denominational

The Indian bill provides for opening of the Shoshone reservation, extending, however, such opening from June 1, 1905, to June 15, 1905, and gives Asmus Boysen of Council Bluffs the right to locate upon 660 acres of land in the reservation previous to its being thrown open to settlement. Last week the house passed the Mondell bill opening the reservation, but by a vote of 2 to 1 struck out the Boysen provision. It is anticipated that the whole matter will be amicably arranged when the appropriation bill reaches the conference stage.

500,000 GRIP VICTIMS

TABLE ROCK, Neb., Feb. 20.-(Special.) More Than 200,000 Cases of Grip, Bronchitis and Pneumonia Reported in New York Alone and Conditions Are Growing Worse Dread Disease Ravages the Country.

How to Avoid Grip:—Keep dry, keep warm and keep the body's natural functions in order by taking a teaspoonful Duffy's Pure Mait Whiskey in a glass of hot water three or four times a day. The person who observes these rules will escape.

MRS. ANNA JOHNSON. 112 Lockwood Street. Previdence, R. L., writes:

"Gentlemen,—I want to let you know what I have suffered from grip all winter. The doctors said I had everything. I could not eat. I was reduced to skin and bone. I weighed 15 pounds before I went to the doctors. I lost 30 pounds. I was so weak I could not work or sleep well. I staved with the doctors six months, but one day my next door neighbor told me of your Duffy's Pure Mait Whiskey. I thought I would give it a trial. I took one bettle, got strong all at once. I began to eat, and my people said I had a good look in my face.

"What I have suffered no one can tell but me. Your Pure Mait Whiskey has cured me and saved my life. I give it to my children. I only hope that people will see for themselves that Duffy's Pure Mait Whiskey has built me up and saved my life. I don't know how I can thank you. I can only say, God bless Duffy's Pure Mait Whiskey.

Dr. Curtan, the world-renowned grip specialist, says.—"Duffy's Pure Mait Whiskey will cure the most obstinate case of grip, and if taken in time will prevent the inception of the disease."
