Basket Ball Game Proves Too One-sided to Be Interesting.

The basket ball boys of Wesleyan university were defeated Saturday night by the Omaha team at the Young Men's Christian association auditorium in an uninteresting game, the score standing 25 to 3. At the end of the first half the score was 15 to 3, but the victors showed marked improvement in the second half, scoring twenty many points. Fouls were frequent on both sides and the game was a very one-sided affair. Clark had twelve goals to his credit and Hansen came next with nine. Cherrington and Lovell were the stars for Lincoln. Next Saturday night the Omaha boys will meet the State university in the final contest to decide the championship of the state. These teams have played two games, one at Omaha, which was won by the Lincoln team, and one at Lincoln, which was won by the Omaha team. A single score decided the victory in one case and two points in the other. The coming game is one which both sides have determined to do their best to win.

BASE BALL OUTLOOK AT AMES

Indoor Practice Has Begun and a Good Schedule Arranged.

AMES, Ia., Feb. 25.—(Special.)—Ames base ball enthusiasts are now on the quiver, staving up the conditions and prospects for the success of the Iowa State College team this season. Practice has already begun in the gymnasium in the training shed which has been erected. Each afternoon finds a good crowd of aspirants practicing six games of catch, about fifty candidates are to be found at work each day and "Yank" Brown has already caught several of several new men in the bunch who promise to be of great value to the picking of a winning team this season. A number of last year's team will be available again this season. "Will" Rank, Brown, Reese and Cotton Ames will have a battery that will be hard to beat. Brown and Reese in all probability will alternate in the outfield. The silver bat is at stake this season Ames having won it two years in succession. It is worth a good deal of money and will be on hand about March 25 to commence work. Under the supervision and instruction of Jack Watson athletic men are receiving systematic training which will add much to their endurance and physical condition.

As the schedule now stands Ames will begin the season here with Cedar Rapids on April 10, playing five games during the first half of the season. Home or away shall then will play a series. Negotiations have been concluded with Nebraska for a game against them in Ames, and a number of other games are being arranged for aside from the league schedule. The league schedule is as follows:

April 25—Cornell at Mt. Vernon.
 May 2—Ames at Mt. Vernon.
 May 13—Iowa at Iowa City.
 May 20—Cornell at Ames.
 May 27—Iowa at Ames.
 June 3—Grinnell at Grinnell.

BUTCH FRENCH'S MONKEY LOOSE

Substitute Coach Takes Flight Up Fire Escape, but Returns.

Some people thought the river had just broken up or "Yank" Brown had caught a new base ball player. Neither, in fact, had happened. Quite a gathering of citizens had gathered on the river bank to see the substitute coach of the Chicago Friday evening, French thought he would be a good boy during the absence of his manager and began to practice up on the football game, so he took the monkey out into the back yard and let him loose. "Mike" got away from the coach and ran into the street. French then started to catch the monkey like a woman trying to corral an old hen with a brood of chickens. At last he gave it up and called on Harry Welch, Eddie Quick, Jack Henry, Ed Beggs, Will Chellis and the other habitués of base ball headquarters. They all began to help in earnest. The crowd soon numbered in persons and one policeman at length the monkey was surrounded with a sack of candy and is now doing penance in a back room at a nearby saloon. "Mike" will make his public debut on the coaching line at Vinton Street park five weeks from today.
