PAVING DISTRICT LEAVENWORTH TO MASON

Street Railway Company Promises that as Soon as Street is in Shape for the Work it Will Proeced to Lay Rails.

It was a business meeting from start to finish which the Bouthwest Improvement club held last night. And the spirit of goshead was the keynote of the proceedings. There were a few doubting Thomases, but the optimists, the men of faith, were in the great majority.

It was a fixed notion in the minds of the officers and leading men in the club that they must have a street car line on Twenty-fourth street, and that the only way to get this is to put the street in such shape that the street railway company can lay tracks on it, especially on that part from Leavenworth to the viaduct.

During the discussion it developed that General Manager Smith of the street railway company has assured the club officers that his company desires to lay the tracks on Twenty-fourth street as soon as they present condition of the street, and the committee agreed with him, that it will always wash out when a heavy rain comes. Teams would become stalled, the track gether impossible to properly maintain a track on the street until it is paved and

Mr. Smith's objections were recognized Then the question of getting signatures for one or two paving districts arose and the would not be well at this time to seek the paving of the whole distance from Leavenworth to Poppleton or beyond.

Fred Schamel and others gave frank expression to the opinion that there were certain property owners absolutely opposed to signing for any improvement and would

This view was combated by former County Commissioner Fred Corliss, Dan W. Shell, Sam Corneer and others. They thought there have been changes in the ownership of certain property which will signatures, and that the case is not at all sent to his family.

Committee to Call on Council. Finally the club adopted a motion unanimously to have a committee named to visit the city council and request that a paving district be created from the south curb of Mason street to the south curb of Leavenworth. This committee will also circulate petitions in favor of the paving of Twentyfourth between the streets named, while other men will circulate petitions above the viaduct to see what can be done on that

President Cott named as the committee

THE VALUE OF CHARCOAL Few People Know How Useful it is in

Preserving Health and Beauty. Nearly overybody knows that charcoal is for the same cleansing purpose. Charcoal is a remedy that the more you

take of it the better; it is not a drug at all, contract at any but a reasonable price. but simply absorbs the gases and impurities tines and carries them out of the system. other odorous vegetables.

Charcoal effectually clears and improves

It absorbs the injurious gases which col-

All druggists sell charcoal in one form or Charcoal Lozenges; they are composed of the finest powdered Willow charcoal, and and more light secured." other harmless artiseptics in tablet form er rather in the form of large, pleasant fasting lozenges, the charcoal being mixed

The daily use of these lozenges will soon tell in a much improved condition of the general health, better complexion, sweeter breath and purer blood, and the beauty of it is, that no possible harm can result from their continued use, but on the contrary, great benefit.

A Buffalo physician in speaking of the benefits of charcoal, says: "I 'advise Stuart's Charcoal Lozenges to all patients suffering from gas in stomach and bowels. and to clear the complexion and purify the breath, mouth and throat; I also believe the liver is greatly benefited by the daily use of them; they cost but twenty-five cents a box at drug stores, and although in some sense a patent preparation, yet I believe I get more and better charcoal in the ordinary charcoal tablets."

HE MEANS SCOTTS

Your doctor says you must take cod liver oil. Probably he means Scott's Emulsion because you cannot take the clear oil; no one can take the clear oil who needs cod liver oil. The doctor understands that and doubtless means Scott's Emulsion of cod liver oil which everybody can take because it is emulsified and prepared so that it can be very easily digested by the most sensitive stomach. Most everybody likes it.

We'll send you a cample free. SCOTT & BOWNE, and Pearl Street. New Tork.

to call on the council to push the proposed paving districts Messrs. Corneer, Schamel and Butterfield

While surrendering for the time being their ambition to have the whole of can do so with safety. He objected to the Twenty-fourth street paved, from Leavenworth south, the club members seemed to feel the action decided on was the wisest they could take at this time. They feel assured, from the promises of Mr. Smith, would be blocked and it would be alto- that if the part of the street outlined in the resolution adopted can be paved the coming fall, then the street railway company will hasten to lay its tracks at the same time; and this done, they feel as well taken by President Cott, Secretary sure that the balance of the street will Feenan and other members of the club. be quickly brought to see the advisability of paving and curbing. For the present the efforts of the club will be concentrated general sentiment seemed to be that it to secure the smaller paving district. Incidentally, it was agreed that vitrified brick paving can be secured cheaper now than ever before.

Messrs. Cott and Schamel reported that Councilman Hoye had assured them that Twenty-fourth street would be at once filled where washed out and put into as good shape as possible. An effort will also be made to have dirt covered sidewalks

Resolutions of regret and respect touching the death of the late Councilman Dyball, a member of the club, were adopted, make it possible to secure the necessary ordered spread on the minutes and a copy

> COST OF LIGHTING THE STREETS Mayor Zimman Addresse

Prospect Hill Improvers. Reduction of gas and electric lighting rates for public purposes was the burden of a talk made by Acting Mayor Zimman before the Prospect Hill Improvement club Wednesday night.

"The lighting problem can be solved if the citizens will co-operate with the council to reduce rates," said Mr. Zimman. "As we have only a prescribed amount of money to use for illuminating the city the way to get more light is to reduce the price. Three years ago we secured a reduction on the arc light rate from \$114 to \$94.50, with a royalty of 3 per cent to be paid to the city on private consumption. President Nash has lately offered to further rethe safest and most efficient disinfectant duce the price to \$75, with the same royalty. and purifier in nature, but few realize its If the gas bill can be reduced in the same value when taken into the human system ratio it will be possible to furnish the city with a third as much more light as it now has. It may be reduced by refusing to

"I believe that gas light can be furnished company, by reason of the privileges which Charcoal sweetens the breath after smok- the company enjoys from the city. Rates ing, drinking or after eating onlons and for gas lamps in a number of other cities run from \$12 to \$18, and there is no reason why the company here cannot do as well. the complexion, it whitens the teeth and Our contract with the company calls for further acts as a natural and eminently lights at \$20, yet it is a fact that we pay \$25, the extra \$5 being ostensibly for the maintainance of a mantle. Why should lect in the stomach and bowels: It disin- the city pay \$5 a year for each mantle tects the mouth and throat from the poison when business men downtown pay only 75 cents for the same thing? We are gatheranother, but probably the best charcoal in a number of cases where cheap gas is ing figures from other cities and find that and the most for the money is in Stuart's enjoyed only 75 cents or \$1 a year is charged

Five members of the city council were present at the meeting, a thing unprecedented in the history of the club. Their presence was accounted for by the attention attracted to the club through its active work in civic improvement. The five were Zimman, Huntington, Hoye, Schroeder and Evans.

The need of sidewalks and street grading was thoroughly discussed and the "cfty dads" promised that they would push measures in council meeting to secure the necessary improvements. Especial empha-

sis was laid on the lack of walks. "If you will follow me two blocks," said Charles Unitt to the mayor, "I will guarantee that you will break at least one leg." Regarding hydrants, which the Sixth ward has been laboring long to get, Mr. Zimman said: "My position has always Stuart's Charcoal Lozenges than in any of ordinances providing for hydrants except in

ROURKE SCENTS THE FRAY

Head of the Champions Anxious for the Opening of Practice.

SIXTEEN DAYS TILL THE PLAYERS REPORT

All But Three Have Signed and Then Are Looked for by the President When the Time Comes.

"Papa Bill" Rourks says he can feel it ming on. He means base ball time, and is getting anxious for the bell to ring Last evening at base ball headquarters, Thirteenth and Farnam streets, Pa was busy with a pencil figuring up how many days it is until the boys will report, when the little boy who sits on the center field fence accosted the Omaha magnate and said his ma wants a copy of the playing schedule so she may know just when to excuse him from his chores to attend the games at Vinton street.

"Here's a copy of the schedule," said Mr. Rourke to the little fellow, as he put his pencil in a pigeon hole of his desk and

lighted a fresh cigar. "Well, it is only sixteen days now until the players will report," he said. I am getting restless, for the baby needs shoes," put in Benedict Gonding, who had been figuring how much poorer he would have been had he devoted his life to the quick lunch business instead of the base As a matter of fact, there is a look of

business in President Rourke's eyes these days. He has let the contracts for the advertising on the fence at the ball grounds, and yesterday afternoon brother, David, arrived from Grand Island to assume the duties of secretary of the Omaha team. The new uniforms recently ordered in Chicago will soon be here, and It is but a matter of a few days until the winter's lethargy will have been entirely shaken off and the sound of "Play ball" heard at Vinton street. Companion, Thiel and Sanders are yet

unsigned, although it is believed they will be on hand at reporting time. Thomas recently sent in his billet doux. Sanders, it is understood, is standing out for the National league salary received last sea-

Manager Rourke expects some talent in the new players, Bemis and McCloskey, pitchers; Seewald and Knode, outfielders, and Beaver and Ivan Howard, infielders. Butch Freeze's monkey is laid up with mumps, but is in no serious danger and will go on the first trip of the Rangers to Colorado Springs next month.

EVENTS ON THE RUNNING TRACKS

Crescent City Jockey Club Increases Its Card to Eight Races.

NEW ORLEANS, March 8.—The Crescent City Jockey club increased its card to eight races today, two of the events being stakes —the Premier and the Fourth Special. Leonard Joe Hayman was a hot favorite in the betting for the Premier stakes at five furiongs, and had all the speed, winning pulled up by four lengths. Fruit, Rapid Water and Blennenworth were the other winning favorites, Weather clear and track fast, Results:

First race, one mile: Fruit won, Cloverhampton second, Monamour third. Time: 1:43%.

Second race, one mile and seventy variations. Its Card to Eight Races.

REAL THING IN BASKET BALL Sioux City Giants to Meet Omaha

Friday evening at the Auditorium one of the greatest games of the season will take place. The Y. M. C. A. of Sioux City, who giory in the name of "Giants" owing to their size, their center standing six feet seven inches in his stockings; have defeated every team they have played this season and proclaim themselves the champions of Iowa. The local team is in excellent condition and will give a good account of themselves, and although much smaller they excel in speed and team work, and can give the best teams in the country a merry chase. Although they are looking forward to the hardest game of the season they have no fear of the result and are confident of winning, which will entitle them to the claim of the western championship, as they will then have demonstrated their superiority over every team they have played. The feeling between these two teams is very intense, as they are both made up of the suff that makes champions. The basket ball cranks can look forward to the most bitter battle that has ever taken place in the city, and it will be a battle royal from start to finish. The line-up:

OMAHA POSITION. SIOUX CITY. G. Willard (Capt.) L. forward Detwiller Y. M. C. A. Team, nnish. The line Position. Side A Commiss.
