\$8,000. I did not know that it was for \$11,500 \$19,800 made by the bill, because it was an or I would have filed for \$11,500."

"In your answer in the district court of man of the finance, ways and means com-Bloux county. Nebraska, you made this mittee, explained the committee's action, statement: 'The value of said land has saying it seemed justified by circumstances been appraised pursuant to section 71, chapter ixxiil, compiled statutes of 1899, at the sum of \$5,000.' On what fact or circumstances do you base your claim ?"

And Fisher's answer was: On the fact that I had an arrangement

that it was to be appraised for at least that. That is the fact." "Do you mean to tell this committee that

you had an arrangement whereby this land was to be appraised at a certain figure?" "If the land was not to be appraised for

what it was worth I intended to remove the case to the federal court," etc. Here was one question that the committee propounded that stands out as a feature:

Why did these heirs agree to allow you to retain all of that appraised value of the land in excess of \$1,000-in other words, did not their action in signing the power of attorney, providing the land had been appraised at \$11,500, give you a fee of \$10,500 for collecting \$1,000 for them?"

"It gives myself and the gentlemen with whom I have to divide that amount of money

The committeemen asked several ques tions regarding the extra figure "1" which made the total \$11,500 instead of \$1,500, but Fisher persisted in saying the entire figure was written at the same time.

The committee obtained affidavits of two of the men who were appraisers of this \$1,509,000, approximately, was not vitally land, W. J. Raum and John Serres, and altered. under oath they state that the original appraisement was \$1,500.

up to \$55,560, which the house did not ROUTINE PROCEEDINGS OF HOUSE change. Both bills were then recommended for

Most of the Time Put in on Approprintion Bills. (From a Staff Correspondent.) LINCOLN. March 10 .- (Special.)-Th when it adjourn today it be until 2:30 p. m. Monday. Half a dozen members then asked to be excused for the afternoon session and the speaker required as many motions and a standing vote. Wilson of Pawnee, who made the adjournment motion, said as the

the committee on claims. Senator Cady is the chairman of this latter committee and he was bitterly opposed to the allowance of the claim, having caused its defeat in 1989. He served notice on the judiciary committee that should the committee recommend the bill for general file he would make the fight of his life to have It sent to his committee. The judiciary committee, however, saw the injustice of the claim as well as did Senator Cady and it came back with a recommendation that

ruited all concerned except the man most interested. The claim was for \$10,000, which Kennard of asjoint resolution of the legislature of state from the national government for the sale of public lands. The contract provided that the money due the state by reason of the sale of Indian lands was not

school money which would have been paid to the state without any one lobbying for it. For this reason the senate, like three other legislatures before it, refused to allow the claim These bills were passed:

These bills were passed: 8. F. 184, by Gilligan-Which provides that when a school board at its annual meeting makes no provision for a term of school the levy can be made by the county clerk after the county superintendent has estimated the cost. S. F. 59 and 52-Two of the Cady dece-dence bills. 8. F. 184, by Mockett-Making the stat-utes conform to the federal statutes in matters pertaining to the filing of tran-script of judgment. 8. F. 197, by Meserve-Fixing the boundary line of Dakota county to conform to the agreement between the Nebraska and South Dakota commissioners. 8. F. 176, by Epnace.

line of Dakota county to conform to the agreement between the Nebraska and South Dakota commissioners.
S. F. 176, by Epperson-Prescribing the length of a term of school under which a district can secure a part of the state school apportionment.
S. F. 174, by Gouid-Providing that cities of the first-class can make a levy to improve roads leading into the city and providing that the poil tax when paid in cash shall be \$2 instead of \$3.
S. F. 206, by Dimery-Giving the State Board of Fublic Lands and Fuidings power to rent buildings owned by the state.
S. F. 206, by Good-Cutting down the salary of bank examiners to \$1.000 a year and making it a cause for dismissal should a bank fail within six months after it is reported solvent by the examiner. The vote was 17 to 10, just barely enough to carry.
Six were absent.

Next came a fight on the item of \$50,000 When President Pro Tem. Jennings called McLeod of Stanton fought this item and

until 2:30 Monday afternoon. The vote was just 16 to 1 in favor of the motion. Good moved that S. F. 201, the Good salary bill for deputy state officers, be reonsidered. The measure was killed yes-

terday. Several points of order were raised and finally by a vote of 15 to 10 a motion, by Sheidon to table was carried.

of the whole, with Wilsey in the chair, worked on the general file. S. F. 186, by Thomas, a bill to allow the

Omaha school districts right of eminent domain, was recommended for passage. The death penalty abolishment bills of Epperson and Jennings were made a speclai order for Tuesday afternoon at 3 p. m. S. F. 177, by Good, a bill taking from the county judge the power of designating where legal notices were to be published

otter to the Times of London, which will be published tomorrow morning, says that said was due him because of a contract he regards not only the Russian governhe had entered into with the state by order ment but all governments as "intricate institutions sanctified by tradition and cusmany years ago to collect money due the tom for the purpose of committing by violence and impunity the most dreadful social crimes." He therefore thinks the efforts of those who wish to improve social life should be directed to the liberation to be considered. The supreme court held of themselves "from the governments that the money Kennard collected was whose futility in these times is becoming more and more obvious." This object could only be attained by the unique means of religiously and morally perfecting separate individuals. The idea is prevalent that the evil accomplished by the "present particularly coarse, cruel, stupid and deceitful Russian government" is due to the fact that the Russian government is not organized on the model of other existing governments, "which are similar institutions for the committal of all kinds of crimes against their peoples." For the purpose of correcting this, the people had used all the means at their disposal, "imagining that an alteration of the external forms

Such activity, Count Toistoi says, is in expedient and unreasonable in that the people assert rights which they do not have. Violent strife by "external means on the part of an insignificant handful of men against a powerful government defending its life is only comical from the point of view of the possibility of success and pitcous as regards the unfortunate, misled individuals who perish in the unequal strife.

"The Russian government has no right to claims, which do not appeal to the great

mass of the people. One hundred million of the peasantry need nothing of these demands, their one desire and expectation

land, matters which are entirely ignored in

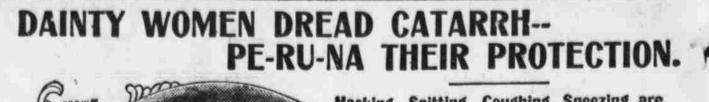

socialistic program."

Count Tolstoi says:

The people in great mass still believe in autocracy, both by reason of inertia and because they think that only through au-tocracy and through the czar can they at-tain this communalization of land. The present activity is pernicious because it distracts the people from the moral per-fecting of separate individuals, whereby only can be obtained the objects toward which those who are fighting the govern-ment are striving.

which those who are fighting the govern-ment are striving. One cannot participate in political action, which draws the people into intrigue, sub-tarfuge, strife and spite extending to mur-der. Political action not only fails to con-trary renders the people more incapable of that vigor which only can liberate them. Light-minded people, judged superficially, expectally those upset by the butchery in St. Petersburg, thought the chief cause of those events lay in the despoism of gov-ernment, thinks that if the autocratic mon-archical form of the Russian government is replaced by a constitutional or republican one, then such events could not be re-pented. War is the Greatest Crime.

A resolution of sympathy to Senator Giffin because of the death of his brother was adopted and the senate adjourned out of respect to the bereaved senator.

PECULIAR CRIME IN OREGON

Man Alleged to Have Tried Suicide Swears that He Was Shot.

COTTAGE GROVE, Ore., March 10.-In the mail of the city marshal of this place yesterday was a letter, purporting to be written by John Fletcher, stating that the writer was tired of life and had decided to commit suicide and telling the marshai where to find the body. Fletcher was found as indicated with a built wound in

his head, but alive. Developments tend to show that he was shot by John Branton, who, it is said, wrote the letter, the crime being for the purpose, it is alleged, of getting life insurance of \$3,000, payable to Branton at Fletcher's death. along the road, it is claimed, borrowed Fletcher's revolver on the pretext of wanting to kill a wild animal. He then, according to Fletcher's sworn statement, turned the weapon on the latter. After having shot Fletcher, Branton tried to induce the wounded man to say that he had Iy as they do water. And it has done us shot himself. This Fletcher refused to do, all great good. I no longer suffer from and later swore to an amdavit charging

tended to use it.

JEFFERSON CITY, Mo., March 10 .-Judge Martin of Cole county court today made an order for a special grand jury to convene here on next Tuesday for the purpose of investigating charges of boodling in connection with the breeders' law repeal bill which passed the senate yesterday, and for other legislative boodling

Judge Martin stated that he had called the grand jury after Attorney General Hadley and Prosecuting Attorney Belch had laid certain evidence before him which he deemed important to be investigated. Telegrams have been received by Governor Folk from persons in St. Louis, alleging that boodle was being attempted to

defeat the passage of the Breeders' law repeal bill, and it was after Governor Folk had consulted with Attorney General Hadley that the order of Judge Martin was made.

By a vote of 19 to 13 the senate today made the consideration of the house bill prohibiting bookmaking and pool selling throughout the state a special order for Tuesday afternoon, when it will come up for final passage.

Governor Folk tonight signed the breed ers' law repeal bill. This measure kills the existing statute prohibiting bookmaking and pool selling, except in certain enclose ures. There is at present no specific law against bookmaking or pool selling in the state and unless the new bill, which has been passed by the house, is passed by

the senate the several communities will be forced to prosecute betting on horse racing under the general gambling laws. CARDIFF, March 10 .- A terrible explosion has occurred in the Cambrian colliery at
