

SOCIETY IN LENTEN GARB

Hush of Penitential Days Comes Over Doings of Smart Set.

SOFT PEDAL USED ON ALL OCCASIONS

Vicinity to Penitential Days from Being Dull and Evenings from Hanging Heavily on Hands of Any.

IN LENT.

My lady in her somber gown Goes forth to penitential prayers; A saddened face my lady wears; Her sober glance looks moodily down.

I scarcely know her as I pass. I lift my hat and hurry by. Ah, heart be still, I caught her eye Within a wistful looking glass!

ISABEL RICHIEY, March 8. If these first few days are to be accepted as a sample, Lent will not be so bad after all, for though there has been and is nothing in prospect, the days are full and one has only to call up one's friends on the phone to find it out.

And after luncheon there are calls. Of all the year there is no season like Lent for returning calls, and certainly no season when people are expected to so religiously observe the day that is stated on their visiting cards.

Only a few months ago Omaha fashionables smiled with the rest at the perplexity of the New York smart set over what it should wear to hear "Parsifal."

EMPLOYMENT BUREAU TO BE ESTABLISHED

Work for Unemployed Will Be Found in Rural Districts and Other Forms of Usefulness to Be Tried.

With additional duties in all of its various departments of work, and some altogether new features on its program, the Associated Charities organization will have all it can do this summer.

Plan of the Bureau. It is not the intention of the organization to antagonize in any way the employment agencies of the city, but to reach such men as have not sufficient means to secure employment from these agencies.
