Indicates that Your Kidneys Are Diseased. Warner's Safe Cure Absolutely and Permanently Cures All Diseases of the Kidneys, Liver, Bladder, Blood. Urinary Organs, and Rheumatism and Diabetes.

It is Kidney Disease!

Thousands of Men and Women Have Kidney and Bladder Disease and Do Not Know It Until It is Too Late. If Any of Your Family Has Had Kidney Disease, or If You Have Pains in the Back, Test Your Urine and Find Out if Your Kidneys Are Diseased.

HENRY I. GOLDSTEIN, 13 Barton St., Boston, Nov. 9, 1904, wrote: "Gentlemen-I am taking the opportunity of recommending your most worthy medicine. About six months ago I started to have trouble with my kidneys and had bad backache. I feit all run down, and was very weak from loss of sleep. Constipa-tion had set in, and I was almost in despair. I consulted my family physicial and other specialists without any improvement. I was getting worse every day, and was afraid that that dread disease. Bright's disease, had me in its clutches. I had just given up hope when Warner's Safe Cure came to my notice and I tried it. After tak-ing the first bottle I felt a decided change for the better, and have taken it ever since. All my energy has returned and am now full of life and vigor, and it makes me feel like a new man and I think it saved my life. I am now stronger' and healthier and never felt so well, all of which I owe to your great remedy."

THIS TEST WILL TELL:

Put some urine in a glass or bottle. After it has stood 24 hours, if it is a reddish or brown color, if particles float about is it, or if it is cloudy, your kidneys are dis-eased and unable to do their work, and ir not attended to immediately. Bright's dis-ease, diabetes, rheumatism, gout, uric add, inflammation of the bladder, gail stomes or urinary troubles will develop and prove fatal in a short time.
