

SERIOUS WRECK AT LINCOLN

Burlington Cars Go Into Ditch and Thirty-Three Are Injured.

TWO MAY DIE FROM THEIR WOUNDS

Passenger Train from Grand Island Leaves Track and Smoking Car and Rear Coach Turn Over.

(From a Staff Correspondent.)

LINCOLN, March 23.—(Special Telegram.)—A Burlington passenger train, known as the Grand Island local, was wrecked at West Lincoln this morning. The breaking of a bolt in the switch while the train was passing over caused the points to spread and the ties coach and smoker went bumping on the way for a distance, finally toppling over on their sides.

Ten of the thirty-five passengers were taken to the hospital. Nearly every one was cut and bruised. Representative Ferrar, who was on the train, escaped with a bad cut over the eye.

C. E. Starbuck, of Washington, D. C., and Charles Gaskill of Albia, Neb., are badly injured, perhaps fatally. Both are in a Lincoln hospital.

The most badly injured are: T. C. Bell, conductor, Lincoln; badly cut about head and face; Mrs. Amanda Dixon, Panama, Neb.; contusion.

W. H. Brott, sheriff, York; bruised and cut. L. Layton, Denver, Colo.; bruised and cut. O. H. Winkler, Glenwood, Ia.; cut and bruised.

C. S. Paine, Lincoln; contusion of legs. Mrs. W. M. Robbins, York; bruised. Mrs. C. Van Vleet, York; scalp wounds. Charles S. Gaskill, Albia; ribs broken, internal injuries.

Adeline G. Wait, Syracuse, Neb.; ribs broken. George Reeder, Grand Island; bruised. W. E. Knapp, Omaha; sprained back and cut.

C. E. Starbuck, Washington, D. C.; lacerations of scalp. Mrs. P. Lang, Kentucky; ankle hurt.

Ne Time to Think.

Addison Wait was seated with Colonel Cassell of Ohio country, who was one of the most seriously injured of any of the passengers. Mr. Wait had three ribs badly wrenched and was otherwise badly shaken up. He said of the wreck:

"Everything happened in the twinkling of an eye. We were going down grade, probably at the rate of forty miles an hour, when all of a sudden the cars toppled over. Someone said, 'We are off,' and the next thing I knew we were a tangled mass of broken seats and humanity. It all happened so quickly I had no time to think. The seats were in evidence from the front of the train to the back of it and I was thrown across the floor.

"The embankment we went over must have been seven or eight feet and both cars rolled over it. Fortunately the Union Pacific train came along just at the time the accident occurred and the conductor sent his crew over to help get out the injured. With the assistance of those not injured all were placed aboard the Union Pacific train, which brought us into Lincoln."

Representative Ferrar of Hall county was in the wreck. He was returning from Grand Island. Thrown headlong across the car, his head struck against a seat and he sustained a cut over the left eye. He was temporarily dazed and when becoming

A GOOD DEAL OF NONSENSE.

About "Blood Purifiers" and "Tonics."

Every drop of blood, every bone, nerve and tissue in the body can be renewed in but one way, and that is from wholesome food properly digested. There is no other way and the idea that a medicine in itself can purify the blood or supply new tissues and strong nerves is ridiculous and on a par with the foliole-idea that dyspepsia or indigestion is a germ disease, or that other fallacy, that a weak stomach which refuses to digest food can be made to do so by irritating and inflaming the bowels by pills and cathartics.

Stuart's Dyspepsia Tablets cure indigestion, sour stomach, gas and bloating after meals, because they furnish the digestive principles which weak stomachs lack, and unless the deficiency of pepsin and diastase is supplied, it is useless to attempt to cure stomach trouble by the use of "tonics," "pills" and "cathartics" which have absolutely no digestive power, and their only effect is to give a temporary stimulation.

One grain of the active principle in Stuart's Dyspepsia Tablets will digest 3,000 grains of meat, eggs and similar foods, and experiments have shown that they will do this in a glass bottle at proper temperature but of course are much more effective in the stomach.

There is probably no remedy so universally used as Stuart's Tablets because it is not only the sick and ailing, but well people who use them as a means to insure perfect digestion and assimilation of food.

People who enjoy fair health take Stuart's Tablets as regularly as they take their meals, because they want to keep well—prevention is better than cure, and Stuart's Dyspepsia Tablets do both: they prevent indigestion and they remove it where it exists. The regular use of one or two of them after meals will demonstrate their merit and efficiency better than any other argument.

fully conscious he found a pair of straws very close to his buried face. Fearing the feet belonged to a dead victim, Mr. Ferrar seized them and proceeded to heave to. He found after drawing his tow line that the owner of the feet was not dead, nor was she even seriously injured.

WALTER EMMONS BROUGHT HOME

Omaha Man Who Was Hurt in Crash Tells of Experience.

Walter Emmons, barber at the Burlington passenger station, was one of the passengers injured in the wreck on the Burlington at West Lincoln yesterday. Mr. Emmons was cut about the head and sustained slight injuries about the back. He arrived here on No. 2 yesterday afternoon and was taken to his home at 123 South Eleventh street. Ten stitches were taken in drawing together his scalp wounds. Speaking of the accident Mr. Emmons said: "I was talking to the conductor when the cars turned over. The whole thing happened in less time than it takes to tell it. Our car, the smoking car, which was next to the rear car, was filled with glass, dust and seats. When I realized what had happened I looked around and saw my hat half a car length away from me."

BANK CLERK CATCHES HORSETHIEF

Follows Him into Country and Returns Him to Town.

LOUISVILLE, Neb., March 23.—(Special Telegram.)—A young man came into this place this morning and stated that he wanted a place to work on the farm, stating that his name was Percy Caton. He spoke to Mr. John Buzel, a farmer living five miles south, about work and Buzel told him that he was looking for a man and that he might ride out with him, showing the young man where his team was. Just before 12 o'clock Mr. Buzel's team was missed and it was soon discovered that the young stranger had disappeared with the rig. R. K. Atwood, who is a clerk in the bank, mounted his horse and made chase, overtaking the man a short distance out of town. As he was drawing near to the rig he gave the command to halt, which frightened the fellow so that he abandoned the team and ran into a brush thicket. Atwood compelled Caton to return to the rig and drive it back to town. Upon his arrival the marshal put him under arrest and placed him safely in jail. County Sheriff McBride, who was notified, came in on the Burlington at 4:30 p. m. and took young Caton to Plattsmouth, where he will be given a hearing tomorrow. Caton claims to have relatives in Omaha.

LINCOLN COUPLE UNDER ARREST

Charged with Turning a Seventeen Thousand Dollar Swindle.

COLORADO SPRINGS, March 23.—(Special Telegram.)—Upon the charge of obtaining \$17,000 from Joseph Wells of Lincoln, Neb., Mrs. Edith I. Smedley was arrested while the Antlers hotel here today. Simultaneously her husband, Joseph Smedley, in Denver was taken into custody upon the same charge. Mrs. Smedley is a pretty woman about 38 years old. She denied her guilt and when told that Wells was the complainant refused to credit the story, as she was the dearest friend she had. Smedley was formerly employed in Mayor Brod's haberdashery at Lincoln. Mrs. Smedley at a church social made the acquaintance of Wells, who is a farmer 40 years of age.

KIRKMAN HEARING IS SECRET

Public Not Allowed to Hear Any of the Testimony.

VALENTINE, Neb., March 23.—(Special Telegram.)—The trial of Captain George W. Kirkman at Fort Niobrara will probably last for several days longer. The court-martial sits for from three to four hours each afternoon, and absolute secrecy is being maintained as to the character of the evidence that is being submitted. About a dozen witnesses have been examined so far. He is accused of conduct unbecoming an officer in taking a woman to his quarters at the post and also with breach of arrest. Kirkman has pleaded not guilty to both charges and will attempt to show in answer to the first allegation that the woman was sick and he took her to his quarters for medical treatment.

Boy Goes to Reform School.

BROKEN BOW, Neb., March 23.—(Special Telegram.)—Arthur J. McGill, a 14-year-old boy brought from Ansley by Sheriff Richardson last night, was sentenced to the reform school today by Judge Armour for charges of an indefinite period. According to the charges the boy was incorrigible and fast developing into a criminal. His parents being in another part of the country he had as he pleased while living with his grandmother. There are all sorts of depositions charged against him, one of his latest attempts to show in answer to the charges that the woman was sick and he took her to his quarters for medical treatment.

Hard Blow for Veteran.

SHELTON, Neb., March 23.—(Special Telegram.)—Mr. Harlan Newton, an old soldier and farmer living nine miles northeast of Shelton, last month advertised his farm stock and all he had at public sale and a few days before the auction took place he was kicked on the arm by a horse and it was broken, but the sale took place and preparations were made to move to Georgia this spring. Last Monday Mrs. Newton and a son 12 years old left for Sioux City, Ia., to have a short visit with a married daughter before they left for their southern home and a message from the daughter's husband this morning brought the sad news that by the explosion of a gasoline stove Mrs. Newton and the son had both been burned to death. The remains will be brought here for burial.

Search Does Not Reveal Body.

MINNEAPOLIS, Minn., March 23.—(Special Telegram.)—Search was continued all day for the body of the son of Mrs. H. B. Tynell of Elwood, Neb., who is supposed to have committed suicide. The body was not discovered, but tracks leading down to the river strengthening the belief that the man committed suicide.

DIED.

LYNAM.—John P., aged 39 years, 1 month and 5 days, at his home, 194 South Fifth street, of tuberculosis.

Four vigorous old souls in one family

"It has imparted new vitality and strength into our time-worn bodies and lengthened our lives," is the eloquent tribute of this quartet of octogenarians.

Each One Owes Ripe Old Age, Health, Vigor and Peace of Mind to DUFFY'S PURE MALT WHISKEY.

There are nearly 4,000 centenarians in the United States. The last census shows that in the United States, with a population of 76,000,000, there are 1,339 men and 2,247 women of one hundred years of age or more. The leading nations of Europe have but half as many more than twice the population.

HOW TO LIVE TO BE ONE HUNDRED

Quite a large number of these old people were recently interviewed and asked as to what they especially attributed their great age. In nearly every case the answer was hard work, freedom from worry, careful living, fresh air and Duffy's Pure Malt Whiskey, taken regularly according to directions. Duffy's is an absolutely pure, health-giving, life-preserving, tonic-stimulant, prescribed by all leading physicians and used in prominent hospitals.

MRS. MARY EILER, 94 Years.

PETER MUTCH, 85 Years.

MRS. CATHERINE MUTCH, 85 Years.

MRS. MARGARET OVINGER, 83 Years.

Beware of our imitators who advertise cheap combinations of drugs and dangerous narcotics to prolong life. Don't let these imitators and substitutes mislead you. There is only one true elixir of life—Duffy's Pure Malt Whiskey.

The earnest and convincing statement of the four members, hale and hearty, of this well known and highly respected family as to the invigorating qualities of DUFFY'S PURE MALT WHISKEY in nourishing and keeping alive the vital spark, and bringing into full play all the forces of life, after they have been run down by sickness, overwork, worry, old age, or chronic disease, comes almost in the nature of a revelation, and yet the cordial endorsement of these worthy people is similar to that of thousands of men and women who have been rescued from suffering and enabled to reach a ripe old age, by the regular and systematic use of this grand invigorator and tonic stimulant.

For nearly a half century Duffy's Pure Malt Whiskey has been prescribed by doctors, and used exclusively in over 2,000 leading hospitals, as the greatest tonic, strength-giving, and life-preserving medicine. It cures consumption, pneumonia, grip, sore throat, bronchitis, coughs, colds, malaria, low fever, dyspepsia, indigestion, constipation, and every form of lung, bowel and stomach trouble. It aids digestion, soothes and quiets the tired and jaded nerves, enriches the blood, quickens the heart's action and circulation, tones up and strengthens the whole system. It cures by destroying the poisonous disease germs and driving them from the system.

Duffy's Pure Malt Whiskey is a promoter of health and long life. It makes the old hale and hearty and in the enjoyment of the blessings and activities of life, and endows the young with a vigorous manhood that enables the possessor to successfully combat all the emergencies of life. Duffy's Pure Malt Whiskey contains no fusel oil and it is the only whiskey recognized by the Government as a medicine.

CAUTION—When you ask for Duffy's Pure Malt Whiskey, be sure you get the genuine. Dishonest dealers, mindful of the excellence of this preparation, will try to sell you cheap imitations and substitutes, which are put on the market for profit only, and which, far from relieving the sick, are positively harmful to the system. Look for the trade-mark, the "Old Chemical," on the label, and be certain the seal on the cork is unbroken.

IOWA'S CLAIM TO BE HEARD

Secretary Taft Will Listen to Governor Cummins in Matter of Inscriptions.

HAS ONCE DECIDED AGAINST IOWA MEN

Matter Will Now Be Reopened and a Hearing Will Be Given to Claimants Early in April.

WASHINGTON, March 23.—Secretary Taft has arranged to give a hearing April 6 to Governor Cummins of Iowa in support of the desire of the officials of that state to have the inscriptions on the Iowa monuments in the Shiloh battlefield park amended so that they shall show the time that the various Iowa regiments appeared on the scene of the battle. Secretary Taft, after an exhaustive investigation of this proposition, which has been under consideration by the department for many months, recently decided against the proposal of the Iowa authorities to change the inscriptions adopted by the Shiloh Park commission. Governor Cummins was not satisfied with that decision and appealed to the president. The latter referred the matter to Secretary Taft and he has decided to grant Governor Cummins a personal hearing.

Mexican Ambassador is Ill.

CURES CATARRH & AFNESA,

One Week's Use of Hyomei Did More Than Six Months' Treatment by Specialists.

In the treatment of deafness which is often a result of catarrh Hyomei acts almost immediately upon the inflamed membrane and the hearing begins to return at once. A few days treatment will bring relief, and in three or four weeks, according to the severity of the case, a cure will be accomplished.

Miss Meeks of Mattawan, N. Y., says: "Hyomei is truly wonderful. I have used it but a short time and see a great change in my condition. My hearing is improving rapidly, and I had no idea I would improve so rapidly in so short a time. My breath, which was so offensive to myself and others, has lost its bad odor entirely. I have spent a great deal of money with catarrh specialists and can truly say that six months of their treatment is not equal to one month of Hyomei."

Sherman & Duggan Drug Co., Sixteenth and Dodge streets, are selling Hyomei upon the usual plan of agreeing to return the money if the medicine does not cure.

A complete outfit costs only \$1.00 and consists of an inhaler that can be carried in the vest pocket, a medicine dropper and a bottle of Hyomei. The inhaler will last a lifetime and there is enough Hyomei for several weeks' treatment. Additional bottles of Hyomei can be procured for 50 cents. Compare this small expense with the fees charged by specialists and then remember that if Hyomei does not cure Sherman & McConnell will return your money.

WOMAN IN CLUB AND CHARITY

The membership contest that has been in progress in the local Young Women's Christian association for the last two months has closed, and while it has not accomplished the desired 2,000 members, its result is gratifying, 1,322 members being registered up to March 20. The effort will be continued with a view to securing the 400 members still necessary to complete the desired 2,000. Monday evening at 6:30 o'clock the association will banquet the membership committee which won in the contest, the banquet to be served by a committee from the defeated members.

The young women employed at M. E. Smith's and Byrne-Hammer (stories) were guests of the extension committee Monday evening at the central rooms. The early part of the evening was devoted to getting acquainted and after that a general contest. "What Men Wear" latter there was a program and a basket ball game by the association teams, cream and cake being served at the close.

Miss Alberta Newton will talk before the Current Topics club at South Branch this evening on "Paris and the World." She will be assisted at the piano by Miss Jessie Towne.

There will be a meeting of the program committee of the Nebraska Federation at the Lindell hotel, Lincoln, Monday, when arrangements will be made for the program of the next state federation meeting. Mrs. Winnifred Durland of Norfolk is chairman of the committee this year. One of the features of the program has already been decided upon. Mrs. Decker, president of the general Federation, has accepted the invitation of the civil service reform committee and will attend the meeting and address the convention on that subject.

A delegation of women representing the club of Omaha and South Omaha interested in civil service reform, in compliance with the suggestion of the state federation committee, yesterday made the first of a series of visits which will include the various public institutions of this vicinity. The state school for the deaf and dumb was visited yesterday morning. The women were met at the end of the car line and conducted to the school where, after an inspection, they were guests of Superintendent Stuart at luncheon. The club has taken up a study of these institutions and their visit of inspection will be made with a view to acquainting themselves with the various institutions and the methods of conducting them rather than any effort to reform or criticize.

Nearly 1,000 representatives of the women's clubs of Chicago and vicinity attended the dedication of the new club house of the Hull House Woman's club at 24 Polk street last week. The building is the gift of Mrs. Joseph T. Bowen, vice president of the club, and unfurnished, cost \$25,000. The building is a two-story brick structure having a large library, room, toilet rooms, lockers and kitchen on the first floor and an assembly hall with gallery that will accommodate 800, on the second floor. The interior finish is of weathered oak, and the wall-covering is gold-colored burlap. The building is lighted by electricity and its windows are hung with yellow silk draperies. Some of the most prominent club women of Chicago participated in the dedication exercises.

A formidable crusade of 300 representatives of the women's clubs of Illinois went to Springfield last week to speak before the house committee on elections before a second reading of the woman suffrage bill now before the house. After four hours of speech-making and argument on the part of the women the committee finally agreed to report the bill granting women the right to vote for members of the State Board of Equalization, the Board of Assessors, the Board of Review, sanitary district trustees and all officers of cities, towns and villages excepting police magistrates. Nor did the women withdraw until they had called a roll of the committee voting the bill out, before they adjourned. An effort was made by one member of the committee to secure a postponement of the vote, but the women would not hear to that and it resulted 34 in favor and 6 against.
