All Rendy for the Crooks. Mayor Macrae yesterday authorized Chief Richmond to make all the necessary ar- Doyle is put down as working so many rangements for the police protection of the thousands of visitors who are expected in Council Bluffs during the week of the state firemen's tournament.

Chief Richmond will enter into com munication with the heads of the detective bureaus in Chicago, St. Louis, Kansas City, St. Joseph, Lincoln, Omaha, Des Moines and other western cities with a | tions when that case was taken to the surequest that they each place a detective for duty here during that week. In addition to this the local force will be doubled by the appointment of special officers.

It is anticipated that the tournament will attract a large number of crooks and confidence sharks to the city and valuable assistance in spotting such undesirable visitors can be furnished by the detectives from the larger cities. Every suspicious character will at once be spotted, be ar rested and unless able to give a satisfactory account of himself will be placed behind the bars and kept there until the close of the tournament.

Police headquarters will be established on the tournament grounds, which will be in direct communication by telephone with the central office.

Although the tournament will not be ness with which the case is being fought held until June Chief Richmond stated by both sides. yesterday that he would at once commence arrangements for the policing of the city ng that weel
