

CURRENT LITERATURE.

In the novelette which opens the April Smart Set...

In the May Delineator some of the choicest of the season's dress productions are represented...

McClure-Phillips have added to their spring list a book of dramatic sketches dealing with the personal and human aspects of the Russo-Japanese war...

"The Story of the Other Wise Man," by Dr. Henry Van Dyke, has always been one of the most popular little books ever written...

Captain John S. Wise, the author of "The Lion's Skin," served with distinction in the confederate army...

"The expert in gardening will be interested and gain many useful hints and the novice will be well equipped with this book in hand..."

An engraving made from the oil painting of the Mayflower by the marine artist, Marshall Johnson of Boston...

Coincident with the appearance of Prof. George Edward Woodberry's article on Cervantes in McClure's comes a cable from Madrid telling of the burning of the duke of Medina's house at Arganzuela...

The International Quarterly for April contains a striking essay by Maurice Maeterlinck, in which the forces at play on a modern battlefield are analyzed in a peculiarly suggestive way under the title of "The Gods of War..."

New Shakespeareans for April is almost entirely devoted to discussions of the four recently discovered signatures of Shakespeare, of which four similes are given, as well as facsimiles of all the previously known signatures...

The anniversary number of the Burr McIntosh monthly (April) is one of the most attractive issues of "the most beautiful magazine in the world" put out by publishers...

Booklovers' Magazine for the current month sustains its reputation for timely articles and superb illustrations...
