Rourke's Rangers Give Seles's Second Section a Thumping.

M'CLOSKEY'S PITCHING THE REAL ARTICLE

Home Team Shows Last Season's Form in Field and at Bat and Takes the Game with Great Ease.

Well! Well! Did you see Pat's Rangers take a romp in Father Seles's Zeepoos yesterday afternoon at Vinton street park? The score was 8 to 2 for the "champs" after a hard contested game.

In the first inning Mordecai Brown managed to pluck a run by getting to first on an error of Howard, a stolen base and then running in when Hoffman was caught trying to steal. In the second, third and fourth it was like removing confections from the mouths of infants, for the Seles cherubs went down and out in one, two and three order in those innings. There were just nine men up in the three innings.

As for the Rangers, they just played ball from the time Umpire Sage called "batter up" until the last man was out. In the fifth inning Thiel and Carter thought it was time to start something, so each went out a single, followed by Welch with a three-bagger. Welch ran from third to home on the play from the outfield. That made three runs and only one out.

In the fourth Howard made one run for the local team to be followed in the fifth by four fat ones. Carter led the fifth by taking the seat for first on a walk. With that eagle eye of his he was not to be fooled by Mr. Grothe's little con game. Two errors by the Zeepoos took Carter around the bases like a mad dog running away from water. Then Welch and Dolan connected with a pair of Grothe's loop-the-loop twisters and got to bases. Jack Thomas kept up the good work with a three-bagger. Ed scored. Welch and Dolan, Thomas later ran in on a play from shortstop. Then the Rangers showed the visitors the usual courtesy due guests and let up on the scoring. But you should have seen that smile on Pat's face at the end of the fifth inning. Pat could not smoke his cigar, so he smoked that cackination; the cigar just dropped to the ground.

Full of Bright Spots.

This game was a good one from "kicker to kicker," and harked back to last season when the Rangers were winning the Western league pennant. As for star plays, Schulte made one of those runs you read about in the bright-covered books that sell on the stalls for 10 cents and are sometimes referred to as yellowbacks. Schulte ran up to the left field fence and caught a high one from Howard and then fielded the ball in time to prevent Dolan from making any changes in the Ranger score. Welch made two brilliant plays in his jurisdiction.

The same teams will play again at Vinton street this afternoon, the game being called at 3:30. Mordecai Brown, remembered by thousands of fans here, will pitch for the Seles team this afternoon. Attendance, 1,500. The score:

CREIGHTON SMOTHERS THE BOYLES

Future Business Men Get the Little End of One-Sided Game.

Captain Ed Creighton's youngsters scampily defeated Prof. Boyles by the terrible wall-pitching and shut-out to the proteges on Creighton field yesterday afternoon. It was the occasion of the Creighton team's debut and they celebrated the event by the time of 24 to 1. They pitched into the future business men from the tag of the going and the margin increased as the game progressed, reaching its climax in the eighth inning when the Creighton boys batted around for a total of eight scores. And during all this time the Boyles men could see their way clear to the plate but once.

The boys on the hill made a very good impression on the large crowd that witnessed the game and from their work it is believed that they will give the boys of themselves in the long schedule of games that Manager Callahan has arranged for yesterday's game showed that they are much stronger than usual with the stick. Every man vented his feelings on the ball, at least once, while the Lannigan brothers each found it safely times and Captain Creighton for the doubles and a single. In the field their work is of the clean cut variety that would warm the hearts of the most exacting fan. Tom Lannigan, who was on the rubber yesterday, made a very good showing and removed all fears that the team would be weak in the twirling department. The boys made a very good showing in the delivery department, as many innings were scattered through as many innings and when he gets over the wildness that he showed in one or two stages of the game will undoubtedly be the standby of the team.

The Boyles College men showed a lack of practice and their overwhelming defeat can be attributed to this and their inability to hit. At their first game in star form and across the diamond wall scored the initial sack in faultless shape. Score:

INTERCLASS GAME AT CREIGHTON

Superior Prowess of Juniors. Saturday forenoon the sophomore class of Creighton university succumbed to the superior base ball prowess of the juniors, who made a very creditable showing in every department of the game. College footballers went on mass to make use of the first opportunity they had of indulging in their favorite sport. The game was a very interesting one, and the juniors were not disappointed, for from a scientific viewpoint the game was all that could be desired.

A. McShane, presiding in the box for the opposing forces out. For the first two innings the game was a very close one, but in the third inning the juniors, who were the victors in this difficult feat, for his victims were slaughtered mercilessly; but the strain upon his arm was too great—the juniors had solved the enigma and the inevitable happened. The juniors made eight trips around the sack while the sophomores and less experienced competitors were making few. McNalley, Mullin and Gilgore succeeded in connecting with the sphere and from this juncture the final result was manifest. McNalley, Mullin and Gilgore for the juniors, allowed only two hits and succeeded in dropping eight men at the bat.

Automobile Topics.

A pretty good joke is being circulated in automobile circles on a prominent business man in the city, who more than ordinarily enthusiastic over his automobile, and who, up until a few days ago, had repeatedly made his brag that with all of his experience with the three machines that he has owned, he has never yet been "stuck." But he met his Waterloo the early part of last week when after applying all of the well known remedies to the "buzz-wagon" he gave up in despair and went to a mechanic to whom he went to consult his repair man. After explaining in detail all of the symptoms so that the man, versed in the care of the machine could give him the professional advice required, the mechanic, after hearing the question: "Is there a drug store close at hand?" A reply in the affirmative brought the advice that he had better purchase some gasoline to put in his car.

BOCK BEER DAY LOCALLY IN

Omaha Brewers Celebrate the Event by Putting Special Beverage on Tap. In addition to being the most summery of days, yesterday was locally notable for another thing. The dry heat of the warm spring sun was most provocative of thirst, and as if the matter had been prearranged the local brewers put out their first bock beer for the season. This cooling beverage was never more welcome, and it was a delightful surprise to the thirsty mortal to find the doubly dark and rich cord foaming in the glass the smiling barkeep, handed him in exchange for his nickel. It was one of the best that he could not appropriately be served before May 1st, but the Omaha brewers are making it not up to date, and their special brew for the spring season is set before a thirsty public at a time when it is most appreciated. The local dealers report the demand good.
