without issue. The question before the court was whether or not William Frederick Parker and Pauline Frassinet were ever lawfully married. The court holds that they were not, though they lived together from 1886 till the death of William in 1902. The court holds that though the father recognized the oldest of the two sons in writing, and though he verbally acknowledged both to be his children, under the terms of the will they cannot share in estate will, under this decision, go to the surviving son. In the decision of the court it is pointed out that William at all times treated Pauline Frassinet as his house keeper and never referred to her as his wife, but paid her \$4 a week wages and kept a careful account of the money he paid her, always deducting for time that

riage that it is a civil contract. Totals of Tax Levy, Taxpayers of Iowa must contribute \$15, 693,842.68 to the support of school, municipal, city and state government this year. This sum includes all the taxes levied in the state on the 1904 valuations, except special improvement taxes in cities and the mulet tax law. It is not quite \$100,000 more than the tax levy for last year, which was \$25,598,513,59.

Of the tax collection, by far the largest sum goes to district schools, which will receive \$9,332,807.65. The county school fund will also receive \$629260.14. The counties will get \$2,644,036.16, while

the municipalities of the state require \$4, 021,626.16. The state Itself gets \$1,919,263.57. Selling State Lands.

In the land office of the secretary of state today the Island in the Missouri river south of Sloux City and near Sergeant Bluffs is being sold. There are severalpersons in the city to bid on the land. The island contains about 533 acres, and Henry Ochlerking, one of the squatters, made bid for a large part of the land. According to a peculiar provision of the law he can take the entire tract at the appraised valuation of \$7,673.23 if he wishes, even though others bid much higher. The Cut-Off land case from Council Bluffs comes under the same law and the secretary of state will ask the next legislature to change the law.

Lee Sets Fire tu. Jail. Harry Lee of Omaha, wanted in that city for robbery of a diamond from a Mr. Cannon, attempted a fail delivery today by setting fire to the city jail. The flames were fed by timbers which were shoved through the bars of the jail by some one outside. Lee was caught when the flames were licking the rafters. He was placed in a cage, awaiting the time when Detective Maloney starts back with him. The fire damage was small.

Without this contingency 125 lamps will be left for distribution among eight wards, giving them fifteen aplece. Little has been said as to the plan for distributing the new are lamps, but it has been proposed to make them displace as many gasoline lamps as possible and, perhaps, a few gas lamps. In the suburbs, it is declared, one are lamp can give more efficient results than half a dozen gasoline lights, which cost the city \$28 a year each. Nothing can be learned as to when the gas company intends to submit its proposition for a new contract. It is said that the ordinance will be held back until Acting Mayor Zimman is out of the chief executive's chair, as his hostility to the gas company is recognized as having considerable force when combined with the veto power. There are conflicting reports as to when Mayor Moores will return. One has it that he and Mrs. Moores will be back as soon as warm weather is a sure thing here, while apparently well authenticated gossip has it that the mayor will not be back Before June 1, as he and his bride are going to Los Angeles and the Pacific coast for a stay there.

As a hangover of the electric light con tract fight, which is now settled and out of the way, it is asserted that the gas interests would have enjoined the ordinance if the acting mayor had not signed it last night on the minute of its passage.

UNITED PRESBYTERIANS MEET Rev. Dr. Turnbull Chosen Moderator

for the Coming Year at

Tuesday's Session.

Rev. D. R. Turnbull, was elected moderator for the coming year to succeed Rev. W. E. Dunlap at yesterday's session of the United Presbyterian church in the Central church, corner of Twenty-fourth and Dodge streets. Rev. Andrew Renwick of South Omaha was elected clerk. There were about twenty delegates from different parts of the presbytery.

The business before the presbytery is of routine character, no question of singular importance having arisen requiring attention. The business relates mainly to home misions, and the amounts that will be given to the various missions. An appropriation will be made during this sitting of the presbytery in aid of the construction of a church at Ewing, Neb.

There was a conference last night on the activities of the church, at which addresses were made showing with circumstantial presbytery.

At last evening's session of the United Presbyterian presbytery of the Omaha district in the Central church the subject of the activities of the church was generally discussed by the delegates. The discussion related to Sunday schools, the Young People's and the Woman's Missionary societies and the prayer and social meetings. Rev. C. M. Ritchie, paster of North Bend church, made the principal address on Sunday schools. Mrs. French read a report on Woman's Missionary societies. These societies have been in existence for twenty years; their receipts aggregate \$120,000, and they support misonaries all over the world. The society at large supports fifty woman missionaries in foreign fields, five of whom are physiclans. The plan that each member of the societies should contribute 1 cent a day she lost. They lived under his idea of marfor a year has resulted in the collection of a fund of nearly \$32,000. One missionary n Egypt is supported by the United Presbyterians of Omaha. Prof. McLean spoke on the social meetings of the church. Although it is has not been definitely agreed upon, it is probable a call will be extended by the Central church of Omaha

to Rev. Ralph Atkinson of Sparta, Ill. Rev. C. M. Ritchie has received a call from the church at North Bend and Rev. H. B. Taylor to the church at Ewing. Rev. Tyler and Elder W. A. Montgomery asked that a donation of \$750 and a loan of a like sum be made from the church extension will cost about \$2,000.

The concluding session of the presbytery will be held this forenoon, at which the election of officers will be completed.

He discussed the thoughts of getting a lot 66x132, within two road iron and chilled steel lining. or three blocks of the business cepter an building a school there.

Sues South Omaha School Board.

Leonard A. Davis has filed a suit against the school district of South Omaha for \$5,270.40. This is claimed as a balance due for services as architect for the board in the three years following his first appointment in June, 1990. Some time ago the board sued Mr. Davis to recover the sum of \$1,900 and in doing so made some quite serious allegations. Judge Estelle took the case from the jury and ordered a verdict for defendant in that case.

In his petition for the balance claimed to be due him Mr. Davis sets out the facts concerning his appointment as architect by the school board and tells how he drow platis for a high school which were accepted by the board which ordered them, but were rejected by a succeeding board. He alleges that he was to have a certain percentage on all repairs as well as on new work, and he figures this at the amount given. Sues South Omaha School Board.

Bemis Case Goes to Jury. At 3:15 on Wednesday afternoon Attorney W. J. Connell had spoken the last word of the concluding argument in the Bemis damage case against the city, in which the plaintiff stands to recover \$30,000 if the jury gives him all that is asked and which the court has not barred in its instructions to the jury. During his closing argument Mr. Connell-

During his closing argument Mr. Connell had to undergo some cross-fire from the city attorney which aggravated him to some extent, but he closed in a very earnest plea for his client without any oratorical fireworks to speak of.

The jury plainly has been showing signs of weariness in these last few days. The case opened on Monday, March 20, and with the exception of three or four days has been going on without intermission.

Veteran Firemen Meet. Veteran Firemen Meet.

At last evening's meeting of the Veteran Firemen's association of Omaha William P. Bohan, J. S. Taylor, Theodore B. Mc. Millan, Edward W. Marnell and P. J. Moran were admitted to membership which makes the total membership now seventy-five. Assistant Chief J. W. Simpson of the regular fire department sent the association a letter, thanking the veterans for conferring on him an honorary membership in the association. Congressman John L. Kennedy sent a communication saying he would interest himself in H. R. 1979, which provides for the erection of a monument on reservation 25 to the of a monument on reservation 29 to the memory of departed volunteer firemen of the United States. This bill was introduced April 1, 1904.

Blew Up a Torpedo.

Daniel Foster, aged 30, who lives at Fifth and Izard streets, had his left eye blown out yesterday at 5:40 o'clock as the result of having too much curibsity about the contents of a railroad torpedo. He found a torpedo in a rubbish pile and undertook to cut it open with a hatchet. In the process it exploded, and besides losing an eye Foster was cut badly on the forehead and face. After Police Surgeon Kennedy dressed his wounds at the police station Foster was taken to St. Joseph's hospital in the patrol wagon. Blew Up a Torpedo.

Fred Myers Arrested. Charles Butler of Council Bluffs got into an altercation with Fred Myers of Omaha at Thirteenth and Douglas streets Tuesday evening and was knocked down. His head struck the curb and he became unconscious. He was taken to Central hospital, where it was found that his injuries are not serious. Myers was arrested and charged with assault.

Packers National Bank Increases Its Capital Stock and Surplus.

NEW BANK BUILDING DETERMINED ON

Present Structure Will Be Replaced by What Will Be the Finest Bank Building in South

Wednesday afternoon the stockholders of the Packers National bank held a meeting fund for a new church at Ewing. Neb. and increased the capital stock from \$100,-After some discussion it was agreed to 000 to \$150,000. The surplus was increased donate \$600 and to loan \$600. The church from \$50,000 to \$75,000. When this business had been transacted the directors met to talk over plans for remodeling the present bank building. After a number of plans had been inspected it was decided to tear down the present building and crect an entirely new structure.

The new bank building will have a frontage on N street of fifty feet and will run back on Twenty-sixth street for sixty feet. Two stories and a basement are provided for in the plans. The ground floor will be used for the banking business and nine office rooms will be provided for the second story. Light pressed brick with stone trimmitigs will be used in the construction. The vault where the time-lock safes matter at the weekly meeting of the Omaha and books will be kept will be of the latest Real Estate exchange and said he had some | construction, being built of cement, rail-

nosaic and the fittings and furniture will be up to date. A large room is provided for the directors. The president will have private office and lockers, and marble collet rooms will be provided for the em-

ployer. Arrangements have already been made for the bank to move into the Hunt building just across the street. This ground floor storeroom is now being fitted up for temporary bank quarters. Officers of the bank expect to move into the temporary quarters before May 1. Just as soon as the nove is made the work of razing the building will be commenced. About six months will be required to construct the new bank building. When the new building is completed it will be the finest bank building in South Omaha.

A report of the treasurer will be presented and all outstanding obligations provided for. There is now a permanent fund in the treasury of this association. After reports have been read measures will be taken to arrange for a reception to be given the graduating class in May. The alumni now has a membership of fifty and all are expected to be present at tonight's meeting.

Improvement Club Meeting. The Highland Park Improvement club will meet at the Lincoln school building Friday night for the purpose of taking some action on the opening of Twenty-fifth street to the boulevard. It is understood that the club will also bring up for discussion the grading of two or three streets in the northern part of the city. Resolutions will most likely be adopted regarding the lack of sufficient school room at the Lincoln building. All members of the club are urged to attend. There is a desire or the part of residents to have Twenty-fifth street opened to the boulevard and it is thought that this object can be attained

during the present year. Election Certificates. Certificates of election are being made out at the city clerk's office for three members of the Board of Education-Morrill, Schindel and Laverty. IF YOU WANT TO MNOW WHAT AILS YOU

Many people owe their present good health to the fact that they consulted Dr. Pierce by letter, giving him all possible information about their condition, symptoms, etc., and received in return good medical advice which cost them nothing. Write to Dr. R. V. Pierce, founder of the Invalida' Hotel and Surgical Institute, Buffalo, N. V. Dr. Pierce by no means confines himself to prescribing his well-known medicines. He tells you in the most common-sense way what ails you, what you ought to do, what him of treatment should be followed out in your particular case, and if your case out in your particular case, and if your case does not indicate the need for this proprietary medicine, he tells you plainly and frankly what you do need, and the best possible method of improving your health.

Dr. Pierce treats many chronic cases at a distance, through the mail and all you have to do is to write him your symptoms.

to do is to write him your symptoms.

Mrs. John Burge, of Mohr. West Va., writes:

"When I began taking your medicine I was suffering from female weakness which had run on for five years. Took three bottles of 'Favor-five Frescription', three of 'Goiden Medical Discovery' and two vials of Dr. Pierce's Felleta and have been entirely curred. Before I began taking your medicine it seemed to me I would nover see another well day, but since then have enjoyed the best of health and happiness. I also took one hottle of 'Pavorite Frescription' before confinement and got along the best I ever did at such a time, and our baby is the most healthy one of them all. I think your makes class are the best in the world."
