**TO ALL WHO ARE INTERESTED**

Through these lines I wish to call your attention to the special Act of Congress which passed the House on March 2nd, 1896, whereby I exchange my 178,000 acre coal lease which I hold with the Shoshone and Arapahoe Indians in Wyoming for 60 acres of mineral lands, containing copier of immense value.

Write for my booklet giving the full history of my valuable concessions and of THE ASMUS BOYSEN MINING COMPANY, incorporated, in the state of Wyoming.

Bear in mind, this is one of the greatest opportunities ever offered the most skeptical investor. Write at once.
