SCOTT HADDIX PLACED ON TRIAL

Witnesses for Defense Break Down, One Girl Becoming Hysterical. BROKEN BOW, Neb., April 22.-(Spi clial.)-The preliminary hearing of Scott Haddix, charged with killing Melvin Butler on the evening of April 16, was commenced last night at 7:30 o'clock, before County Judge Armour. Owing to the inadequate space in the county court room Judge Hostetler of the district court, who is just closing up the term, offered the use of his sanctuary, which was soon filled o overflowing with people of all classes and denominations, eager to hear the tes-

imony. The case has awakened universal interest throughout the county. Judge C. Gutterson, J. R. Dean and County Attorney Johnson represented the state. while Judge Sullivan of Broken Bow and Judge Wall of Loup City appeared for the defendant.

Only three witnesses were examined: they appearing for the state. The first was Arthur Fuller, a boy of 18 years, working for Butler. Fuller was one of the eve witnesses to the killing. He stated that Haddix fired the first shot, but upon being cross-examined by Judge Sullivan, got considerably mixed in his testimony

The 14-year old daughter of Butler was next called, and after substantiating some of the statements made by the preceding witness, fell into a violent state of hysterics and was obliged to be taken from the court room

Joseph P. Gill, at whose farm the daugh er and her friend Lena Krouse, were visiting the day of the tragedy, was also put upon the stand, and testified that he was away from home a big portion of the day and only saw Butler after he was dead that night.

The attorneys for the defendant tried to get Lena Krouse on the stand, but the court ruled otherwise. At 10:20 Judge Armour adjourned the hearing until Monday morning at 10 o'clock.

of Nebraska during the next month. WEST POINT-Arbor day was very gen-erally observed in this city, school children and clizens generally planting a large number of trees. The faculty of the pub-lic and parochial schools of the city have been thoroughly impressing upon the minds of the youth of the city the importance of tree planting and the good seed thus planted is bearing abundant fruit. PAPILLION-The deputy assessors of Sarpy county were called to Papillion the first of the week by County Assessor Gattach, and relieved of their books. By the working of an amendment to the revenue law the books have to be made up in the county clerk's office, and all the deputies have to do is to list the property. This will shorten their time about one-half. HUMEOLDT-The plan of commuting
