THE COST

WE THINK you will agree with us that the cost should always be known before a contract is made.

IF YOU borrow of us you will always know in advance to the cent what the greatest cost will be, and if you are able to pay faster than the contract calls for you can make the cost much less.

YOU CAN borrow of us on furniture, pisnos, livestock and other chattels, or on your own agreement to repay if you are employed on a regular salary.

YOU WILL not be expected to pay us for making papers or notary fees, and you will not be expected to pay interest in advance, as we give you the full amount of the loan in cash.

OUR RATES are as low as any and a great deal lower than many, our service is quick and without publicity, and

OUR OFFICE motto is "try to please."
