the season today, errors being responsible for the victory of the locals. Thomas had an off day and dropped three thrown balls at first; Martin let an easy grounder go between his legs and Gonding was the other offender by throwing the ball away in trying to prevent Mellor from stealing The fielding of the visitors was either very bad or unusually good, there being few plays of the mediocre variety. Omaha started the scoring in the sixth. Dolan walked, Thomas sacrificed him to second, Martin fanned and Schipke singled, scoring Dolan, but dying at secend himself on Gonding's easy grounder to short. In the same inning Colorado Springs scored four runs on four singles, a double and two errors, one by Thomas and one by Martin. The Millionaire's batted around in this inning, finding Mc-Closkey's 'twisters with ease. All of the hits, however, with the exception of Melor's two bagger, were either bunts of of the dinky, infield variety.

The scoring ended with Omaha's two runs in the seventh. McCloskey fanned, Thief got first an McFeean's error, Carter singled, but the ball slipped between Blake's legs at centerfield and both runners scored on the bobble. Thomas and Martin ended it by fanning and flying out o Delehanty respectively. In the eighth and ninth Omaha went out in one, two, three order, as did Colorado Springs in the seventh and eighth.
