Twelve Hits, Together with Two Bad Throws by Schipke Nets the Mountaineers Seven Runs.

DENVER, Colo., May 2 .- (Special Telegram.)-Vollendorf was the whole show today and blanked the Nebraskans at ease. He was wild at times, but settled down and retired the batters after giving a free pass. Not a Rourkite saw third base. Pfester was steadler, but was hit hard at all stages of the game. Schipke had an off day and made two bad throws, which cost runs. Added to this, Denver had all the luck. At least four bunts were made, hits merely by a scratch.

It was all over at the end of the first inning, when four hits, a three-bagger by Belden and Schipke's wild throw to Thomas netted five runs. They got another in the fifth on a pass, a sacrifice and Belden's single. In the eighth Lucia tallied on two scratch hits and Schipke's second bad throw. Attendance, 300. Score:

'I may pessibly take a summer trip to Europe with my wife, after which I am going into the mining business with my brother Jack, and I shall hereafter devote my time to it. The principal reason for my retiring from the ring and stage is that my wife objects. That has been the controlling influence in reaching this determination. Then came the question as to where she was going to stay. Mrs. Homich said she did not know, but hoped to find a place to work. She was given the card of County Attorney Slabaugh and told to report at his office every two weeks for the present And so the mother who had been led istray was set free as a ward of the court and went out to make a search for work, while her husband and children went their way alone, too. ### GOOD BLOOD TELLS ITS OWN STORY

And tells it eloquently in the bright eye, the supple, elastic movement, the smooth, soft skin, glowing with health, a body sound and well, an active brain, good appetite and digestion, refreshing sleep, energy to perform the duties and capacity to enjoy the pleasures of life. The blood is the most vital part of the body;

every organ, muscle, tissue, nerve, sinew and bone is dependent on it for nourishment and strength, and as it circulates through the system, pure and strong, it furnishes to these different parts all the healthful qualities nature intended. When, from any cause, the blood becomes impure or diseased, it tells a different story, quite as forceful in its way. Itching, burning skin diseases, muddy, sallow complexions, disfiguring sores, boils, carbuncles, etc., show the presence, in the blood, of some foreign matter or poison. Rheumatism, Catarrh, Contagious Blood Poison and Scrofula, are effects of a deeply poisoned blood circulation. These may either be inherited or ac-

quired, but the seat of trouble is the same-the blood. S. S., a purely vegetable blood remedy, cleanses and purifies the circulation and makes it strong and clean. Under its purifying and tonic effects all poisons and impurities are expelled from the blood, the general health is built up, all disfiguring eruptions and blemishes disappear, the skin becomes soft and smooth and robust health blesses life. Rheumatism, Catarrh, Scrofula, Contagious Blood Poison and all dis-

eases of the blood are cured by S. S. S. Book on the blood and any medical advice, free of charge. THE SWIFT SPECIFIC CO., ATLANTA, GA.
