

Mme. Yale's Hair Tonic for Children and Adults.

Antiseptic and Hygienic

A HAIR INVIGORATOR

Just what its name implies. It supplies nourishment, the elements of growth, which when absorbed by the hair, strengthens and beautifies it in the same way that sap glorifies the foliage of a tree. Even when the follicles are seemingly dead, if the scalp is massaged daily with Mme. Yale's Hair Tonic a vigorous growth will be produced. It has been earnestly called "the great hair grower." It stimulates the most stunted growth and makes the hair magnificently healthy and beautiful.

MME. YALE'S HAIR TONIC

Is prized equally by men and women, particularly when the hair begins to weaken or fade. Cures baldness, grayness, splitting of the hair, dandruff and all diseases of the hair, scalp and beard. One application stops hair falling. A nursery requisite: no mother should neglect to use it for her boys and girls; when the hair is made strong in childhood it remains proof against disease and retains its vigor and youthfulness throughout life.

MME. YALE'S HAIR TONIC

Is a colorless, fragrant, delightful hair dressing; neither sticky, gritty nor greasy; makes the hair soft, fluffy and glossy. Confers no artificial coloring; would not soil the whitest hair; restores original color by invigorating the scalp and re-establishing normal circulation and proper distribution of the live coloring matter. Beautiful hair redeems the plainest countenance, and anyone can secure it by using Mme. Yale's Hair Tonic. Now in three sizes.

MME. YALE'S HAIR TONIC IS SOLD

THE BROWN PARK SANITARIUM AND MINERAL SPRINGS.

The new mineral spring which has been discovered lately at 21st and S. Sts., South Omaha, contains six distinct minerals. Strontian Magnesia Mineral Water in the world. Sold by case and gallon. Baths in connection.

ENGINE HOUSE BONDS VOID

Such is Conclusion Reached by John L. Kennedy, Attorney for Brandeis.

FAILED TO CARRY BY SUFFICIENT VOTE

On the Basis of This Discovery Local Purchasers of the City's Securities Will Decline Them.

No authority on the part of the city to issue \$40,000 in bonds for the purpose of building three new fire engine houses has been found by Congressman John L. Kennedy, attorney for J. L. Brandeis & Sons, who bought the first issue of \$25,000. The reason for the opinion lies in the fact that the charter requires the proposal to issue bonds to be favored by at least two-thirds of the electors voting on the proposition at a special or general election.

It was announced officially by Acting Mayor Zimmerman, after the special election held in connection with the general election last fall, that the engine house bonds had carried, along with the \$75,000 sewer bond issue and the defeat of the municipal electric light plant bonds. Congressman Kennedy, in looking up the matter for his clients, however, discovered that the vote was 3,348 for and 6,180 against the engine house bonds, the majority lacking 1,004 of being two-thirds of the total. He found the charter demanded a two-thirds majority to legalize the bonds and reported to his clients that the \$25,000 issue which they had purchased is void. The bonds had not been delivered and the banking firm will refuse to accept them on the grounds given. Then, according to City Treasurer Hennings, no alternative existed but to burn up the paper, which has been printed and signed, and wait until the bonds are authorized by a two-thirds vote at another election, which may be called any time.

Kennedy Gives the Tip.

Prior to Kennedy's call at the city hall Wednesday morning there had been no doubt concerning the legality of the bonds. The proposition embraced in the election proclamation called for a total issue of \$40,000 for a new fire station at Twenty-fourth and Cumming streets, \$17,500 for one in the vicinity to the west of the high school and \$17,500 for a fire house in the vicinity of Nineteenth and Lake streets. The canvassing board returned the figures to Acting Mayor Zimmerman, who prepared a communication to the council stating that the engine house and sewer bonds had been sold and the electric light bonds had been lost.

The contract for building the Twenty-fourth and Cumming street station has been let to N. Hilding & Sons, who have begun work on the structure. Previous to approving the contract the council passed an ordinance for the issue of \$25,000 of the bonds, stating distinctly that they had been authorized by a two-thirds vote of the city council. Brandeis & Sons promptly bid \$50 for the issue, and as they were the only bidders the bonds were awarded to them by the council and not through the city treasurer. In a public sale, as has been the custom, in the meantime the bonds were printed and arrangements were made to deliver them to the purchasers, who will now refuse to receive them and pay over the cash.

Content for the Station.

Citizens, who will be accommodated by the station near Nineteenth and Lake streets, have divided into factions regarding the location of the structure. The contest for it has been a lively one and has been brought before the council. The Fifth Ward Improvement club was organized expressly to get the house placed on Sherman avenue, between Lake and Ohio streets, while the residents near Twentieth and Lake united to have the department located there. Various propositions for lots have been made and no little excitement created in the contest. Whether or not the proposition to issue \$25,000 bonds to build main sewers also failed because not favored by a two-thirds vote has not been named by any lawyer, but lay minds at the city hall say it is in the same fix as the other. The vote was 3,369 for and 6,468 against. These bonds have not yet been sold. The proceeds from them are needed to construct two large main sewers, one to drain the depression through which the Union Pacific and Burlington tracks run from Twenty-fourth to Eighth and Jones streets and the other through the Union Pacific shop grounds between Eleventh and Twelfth streets. The city is anxious to provide an outlet for a vast territory north of Dodge street.

TRIP TO CENTRAL AMERICA

Mr. and Mrs. F. A. Harrison Will Leave Omaha Some Time This Month.

Frank A. Harrison, a well known newspaper man in Nebraska and formerly an attaché of the Union Pacific's legal department, will leave Omaha with Mrs. Harrison during the present month for the Central American states, visiting chiefly Honduras and Guatemala. Mr. Harrison has sold his new home at Thirty-third and Burr streets. He has made two or three such trips into this southern country, on at least one of which he was accompanied

THE ATTRACTIVE GIRL

Much has been written about "the American girl" and her reasons for being prominently the most attractive girl in the world. It is bringing up girls and mothers are too careful to let their daughters develop all their natural charms to the utmost. The crucial epoch of woman's life is the change from maidenhood to womanhood. It involves the whole body and manifests itself in the nervous disposition at this time. Nervous or sick women are afforded the opportunity of a lifetime, for the makers of Dr. Pierce's Favorite Prescription now offer \$500 reward for women who cannot be cured. Backed up by over a third of a century of remarkable and uniform cures, record such as no other remedy for women's diseases and weaknesses peculiar to women ever attained, the proprietors of Dr. Pierce's Favorite Prescription now feel fully justified in offering to pay \$500 in legal money of the United States for any case of Leucorrhoea, Female Weakness, Protrusion, Falling of the Womb, which they cure. All they ask is a fair and reasonable trial of their means of cure.

Mrs. W. T. Mapple, of the Boston Street (Mass.), Macomb, writes: "I will try to let you know how thankful I am to you for your advice. I have taken your bottle of 'Favorite Prescription' and four of 'Golden Medical Discovery' and I feel better than I have for almost five years and had been treated by the best doctors in Mass. They all said I had womb and ovarian trouble. I suffered until every month and often wished that I could die. I am still taking your medicine. I know that your medicine has saved my life and can never praise it enough. Words cannot express my gratitude. I will never forget your kind advice."

As a tonic for women who are nervous, sleepless, worn-out and run-down, "Favorite Prescription" is unequalled. For constipation, the true scientific cure is Dr. Pierce's Pleasant Pellets. Mild, harmless, yet sure. No other pill can compare with it.

Long of Short Cake

Strawberries tempted you to get "Long of the market" Indigestion came—and regrets Then biliousness; dull, sickish feelings Why don't you take a bottle of

Red Raven

This great aperient water settles the stomach, cleans out the system, and removes the cause of bile and indigestion

For sale everywhere

By Mrs. Harrison. Mr. Harrison says he has not determined to remain permanently in Central America, but will stay at least during the summer and perhaps for the months of this year. He probably will do some magazine writing while there.

NO HOME IS YET CHOSEN

Permanent Place of Detention for Juvenile Offenders Subject of Discussion.

Yesterday afternoon a meeting was held at the Grand hotel of the visitors appointed by the juvenile court to look after all children committed to any place by the court. These visitors are Rome Miller, Miss Margaret MacCarthy, Mrs. Draper Smith and Attorney Pennekot. The main object of the meeting was to discuss the securing of a detention home for the wards of the juvenile court. The Board of County Commissioners practically has turned this matter over to the visitors.

No decision as to superintendent or a place for the proposed detention home for juvenile offenders was reached at the meeting of the board of visitors held Wednesday afternoon at the Her Grand hotel. Several suitable houses have been offered, whose owners desire to undertake the superintendency and feed the children who may be committed. The board, however, desires to go slow in making a selection, as not only are the funds available quite limited, but it is also very necessary that the people selected to manage the home shall have qualifications fitting them for the service required. The board of visitors will hold another meeting very soon and have Judges Day and Kennedy present to advise with them.

ON TRIAL FOR FIRING SHOTS

Man Charged with Attempting to Kill Woman Faces the Court.

John Danielson is on trial in Judge Day's court on the charge of having shot at Clara Blis with intent to kill her on March 29 last. The shooting occurred at 30 South Tenth street, while Danielson was in a jealous temper. The woman was occupying her place of residence with another man, named O'Connor, who testified yesterday that he considered her his wife. Danielson knocked at the door and when the woman opened it he fired at her point blank, but the shot went over her head and lodged in the wall. A second shot was fired without result, while O'Connor struggled with Danielson for the gun. The weapon has disappeared.

Announcements of the Theaters.

"Mrs. Wiggs of the Cabbage Patch" came from the author to the public like a flash from genius. It is one of the tenderest bits of pathetic realism in all the realm of American literature and for this reason has been one of the most popular. Its chief recommendation lies in its wholesomeness, for it is pure comedy, without the essentials of any of the social problems that are so freely and uselessly discussed on the stage today. It simply shows how some people live and gives in a strongly attractive manner a few pictures from their daily walk and conversation. The play has been as popular as the book. When it was in Omaha last season it made a hit, just as it has every place, and the single performance that will be given at the Boyd theater this evening ought to fill the house to its utmost limit. The original company is still presenting the piece.

On Friday evening at the Boyd N. C. Goodwin will make his annual bow as success of the present season. "The Usurper." This is a quaint combination of light comedy and melodrama, and allows Mr. Goodwin all possible latitude for his well known whimsicality of manner and his dry humor that is so effective. On Saturday at a matinee "The Usurper" will be repeated. At the Saturday evening performance Mr. Goodwin will present another of his great successes, the one in which he has been perhaps the best liked of all, "An American Citizen."

Starting tonight "Beware of Men" will be the attraction at the Krug theater for the remainder of the week. The play has an interesting story, strong character and cleverly connected showing all the love, hatred, comedy and wit that human nature is heir to. The author has been particularly fortunate in his comedy scenes and the play has been a great success. Those who are entrusted with the task of retaining the tension of wrought up nerves and emotions of the audience. Several good specialties are introduced and we are promised one of the best melodramas of the season. The piece will close Saturday night with the usual popular matinee Saturday afternoon.

La Joie Titcomb is the feature card particularly interesting to the women who will attend the matinee at the Orpheum today. The Spanish-American nightingale is an altogether attractive artist. Her beauty is striking, being of the rich brunette type, while her costumes are very beautiful. The remainder of the bill is varied and well balanced and is scoring well to big audiences.

Ten Days Festival.

The Salvation Army today begins a ten-day festival of music. The carnival will be held at Grace chapel on William street, between South Fifth and Sixth streets. The affair will be under the direction of Brigadier and Mrs. J. W. Balch, who will be assisted by Major and Mrs. Merriweather. Sur. 100s will begin each night at 8 o'clock.

DIED.

CARR—Mrs. Carrie Bell, May 3, 1905, at the home of her mother, Mrs. M. S. Carr, 1409 N. 24th st., aged 50 years 10 months 15 days. Funeral services at St. Bernard's church, Friday, May 5, at 2 o'clock p. m. Interment Forest Lawn. Friends invited.

NEWSBOYS ROW IS SETTLED

Charges Against Moggy Adjusted by Conference of Woman's Club Members.

COMMITTEE TO TAKE HOLD OF AFFAIRS

Long Talk and Wild Gestures of Boys is Succeeded by Handshakes and Pledges of Friendship.

After a two-hour conference Wednesday morning with the contending factions among the newsboys, the Woman's club committee appointed by request of Moggy Bernstein to investigate the charges of mismanagement recently made against the newsboy home by some of the newsboys, effected a reconciliation among the boys, all of whom agreed to the appointment of a committee of five, which shall include Mrs. W. J. Broatch, Mr. W. E. Dixon, Mrs. Draper Smith, one other member of the Woman's club and one other man, who shall manage the affairs of the home in the future. The committee will be completed as soon as possible and then will organize and reopen the newsboys' home, which has been closed pending the investigation.

The illfeeling dates back about two years, some of the boys feeling that no newsboy should have so large a say in the management of the home and the affairs of the boys that necessarily center about that organization, but the leaders of the various factions shook hands and promised to forget the past and work together in future for the best interests of all.

A dozen or more boys met with the women in the club rooms, and for a time there were indications of anything but amicable sentiment following. There was considerable loud talk among the boys. The committee insisted that the doors should be closed to all save those who were there to give testimony or were members of the committee, Mrs. Mary G. Andrews, chairman of the committee, insisting that the press be excluded, although the leaders of the complaining faction requested that reporters be admitted. Moggy stood with the committee, announcing that he had secured the services of a stenographer to take the evidence submitted against him, and threatening to hold anybody misquoting him for libel.

Committee Gets Stenographer.

At this the other faction insisted upon calling in a stenographer and here the committee asserted itself, deciding that neither side nor the boys should have that privilege and promptly sent for a stenographer to act for it with the secretary. But this precaution proved superfluous, for with several of the boys talking at once it was impossible to make a correct report of just what was said on either side. Some of the boys demanded that Moggy show the records of the disposition of the funds of the home, but the chairman held that such a demand could come only from those who had contributed those funds. By the end of the first hour it was evident that the difficulty was of a nature that the committee could be of little assistance in adjusting and the remainder of the time was devoted to convincing the boys of the result that the committee was decided upon.

The Woman's Club committee included Mesdames Mary G. Andrews, chairman, Draper Smith, E. G. McGilton, Frederick Crowley, Glover, Sarah Miller and E. B. Towle.

GIGANTIC CLOTHING DEAL.

J. L. Brandeis & Sons Bay Choice of Entire Clothing Stock of Fred Griesheimer, State Street Chicago.

SALE BEGINS SATURDAY, MAY 6. It will be beyond all possibility the greatest and most important clothing sale that ever took place in the country. The choice of the entire stock of Fred Griesheimer, one of Chicago's greatest clothing stores, who retired from business, selling at a fraction of the value of his fine clothing. A clothing bargain event without a parallel.

The Island of Cuba, which promises to be one of our insular possessions, one of these days, has got a well deserved reputation throughout the entire world for the production of delicious tobacco. Heavy dew at night; tropical flowers in such profusion produce conditions that are nowhere else apparent. Each locality of the island raises tobacco with its own peculiar quality.

There never has been a cigar manufacturer in the United States who had the courage to declare that he was using any certain kind of Havana tobacco except the McConnell Segar Company of Indianapolis, Ind. They make a cigar called Sir Jonathan that they sell under a bona fide guarantee to be a strictly imported Yara Havana filler. The factory has made this one cigar for thirteen years. It certainly is a delightful and fragrant segar.

The Pennsylvania Short Line. Particular commendation and equipment of "The Keystone Express," "The Manhattan Limited," "The Atlantic Express" and "The Pennsylvania Limited," which run daily from Chicago to New York, through Pittsburgh and Philadelphia, over the Pennsylvania Short Line. Heavy trucks of steel all the way can be obtained of the ticket agent of any line connecting at Chicago, or by calling upon or addressing Thos. H. Thorp, passenger agent, Omaha. Correspondence invited.

Low Rate Summer Excursions.

To Chautauqua Lake and Asbury Park. For illustrated folder, rates and general information, write Erie R. R., 655 Railway Exchange, Chicago.

Mr. H. Heyn, photographer, is not now in original location, but at 318-20-22 S. 16th St. Two-story building west side of street.

15 K. wedding rings. Edholm, jeweler.

Harry B. Davis, undertaker. Tel. 1236.

Judge Orders Verdict.

The bankruptcy trial before Judge Munger in the United States district court Wednesday afternoon in which the Empire Blue and White company and the estate of George W. Stuart of Stuart of Stuart were defendants came to a rather abrupt termination, in that Judge Munger took the case away from the jury, or rather, directed it to bring in a verdict for the defendant, Stuart.

It appeared from the evidence that the

AMONG THE HOME BUILDERS

Annual Meeting of the Omaha Loan and Building Association—Business of the Year.

The twenty-second annual meeting of the shareholders of the Omaha Loan and Building association was held in the Bee building Wednesday evening. The principal business transacted was the election of three members of the Board of Directors.

The annual report submitted by Secretary Nattfanger showed the association to be in a flourishing condition and steadily growing. The increase in business during the fiscal year was \$12,135, bringing the total assets up to \$73,639.

An unusual feature of the report is the abundance of money available for home makers. Nothing like it has ever been experienced by the association. The demand for money is fully equal to that of the spring of 1904, but the payments by investing members exceeds the record of last year. The explanation offered is that a large proportion of the money heretofore invested abroad is now held at home.

The association had 238 members, holding 17,345 shares. Last year ninety-four members built homes of their own and 348 loans were made to home buyers. In twenty-two years the association enabled 1,840 members to secure homes, besides disbursing \$25,000 in the form of dividends. The sum total returned to members, principal and earnings, was \$1,064,000.

OSBORNE PLEADS NOT GUILTY

Young Man Who Shot Father Formally Denies Charge of Murder.

Leo Osborne, who last Sunday morning shot and killed his father, John Osborne, junior at Bennett's store, and who resides at 1402 Brown street, was arraigned in police court Wednesday morning and to the formal charge of murder pleaded not guilty. Assistant County Attorney Foster appeared before Police Judge Herka for the state, while Attorney S. A. Searle represented the defense. It was thought that young Osborne would waive his preliminary hearing and be bound over to the district court at once, but his attorney asked permission to examine the evidence introduced at the inquest, so the case was set for hearing Monday morning.

A Machine for Women

should be the best obtainable. The Singer sewing machine is acknowledged the lightest running, most durable and convenient of any. Look for the red S. 184 Douglas St., Omaha, Neb.; 428 North 24th St., South Omaha, Neb.
