HAYDEN BROS.

Shelley

This windy weather we're having is a trifle hard on the delicate dress hats, isn't it? Then why not run into Shelley's and buy one of the exceedingly cheap STREET HATS he has on sale, beginning tomorrow.

While they are cheap in price, they are by no means cheap in looks, as some bargain hats prove to be.

These are genuine bargains, picked up from a prominent New York importer and are valued all the way from \$5.00 up to \$10. They are in various shapes and colors, but every one is stamped with distinct Shelley prestige that cannot be found elsewhere in Omaha.

There are just 250 of these Charming Little Street Hats which are just the thing to wear with your natty shirt waist suits. They are of serviceable material and colors. Tomorrow they are going on sale at the absurdly small price of only **2.50**

You can hardly afford to miss this sale.

SUITS! SUITS!

And just a word about the suits. Shelley has just purchased just in time for the After Easter Sale, a number of suits bearing the exclusive stamp of his own well known importations. There are only 75 of these Natty and Stylish Little Suits left and he is able to sell them to you at less than manufacturers' prices. All the way up to \$50 in values, these suits are, but Shelley is going to price them to you for only **20.00**

They are in all the new and smart shades of blue, brown, black and green, and each one of them is alert with that cachet of distinction that is always associated with a Shelley garment.

These suits come in Panama, Serge and Mohair. Beginning tomorrow your choice for \$20.00.
