**Modern Women of America.**  
Omaha camp No. 120 is figuring on a big meeting for Wednesday evening, when a large class of candidates is to be initiated. The ceremonies will be witnessed by a host from the South Omaha and Council Bluffs camps, and the degree team intends to put the work on in its best shape. No. 120 is also arranging for an elaborate social gathering for its meeting May 17, which will be worth waiting for.  
**Royal Neighbors of America.**  
Fern camp will give a dance and may party in Myrtle hall, Continental block, on the evening of May 12. Music, refreshment and dancing will comprise the program and all members are urged to be present.  
**Order of Scottish Clans.**  
Clan Gordon No. 63 held its regular meeting Tuesday evening. Much business was transacted and arrangements were perfected for the visit of the royal chief and royal secretary on May 24. During the social hour Clansmen Cook, Kerr, Gerrie

and Ed A. Lindsay entertained. Secretary James C. Lindsay played the accompaniment and "squared" himself by "setting up" the cigars.  
**Grand Army of the Republic.**  
The several Grand Army posts and Women's Relief corps of the city will attend Memorial Sunday services, May 28, as follows:  
Crest post and corps, Saratoga Congregational church, 264 Ames avenue.  
Custer post and corps, First Christian church, Nineteenth and Farnam streets.  
Grant post and corps, First Baptist church, corner Twenty-ninth avenue and Harney street.  
It is the intention to attend the morning services at the respective churches.  
**Knights of the Maccabees.**  
The review held by Omaha tent No. 73 last Thursday night was a big success. Thirty candidates were put through the "safer route" and were proud of it. The degree team did excellent work. The candidates were furnished by South Omaha and Omaha tents. There was a large number of South Omaha Maccabees on hand to witness the work. There will be work again on Thursday night, May 11.  
**Royal Achates.**  
Omaha lodge No. 1 initiated six candidates at the session held Tuesday evening and acted upon fifteen more applications.

The city council met in regular session Monday night. Some routine matters were taken up and disposed of. Ordinance 131 was passed, putting the curb lines of Main street back to twenty feet from the property line, which was the distance up to about a year ago. This ordinance was introduced and passed on account of residence property owners who thought it an injustice to them in widening Main street, thereby destroying their lawns and terraces. On the other hand, the owners of business blocks wanted the street widened so that the expense of keeping up sidewalks would be lighter and cause the sidewalk to come closer to their show windows. The contract for curbs was let to Cubley & Son, State street along the east side of Main street to Washington street, hence east to the Swedish Lutheran church. Saloon licenses were granted to George Station, Hans Petersen, Henry Anderson and Otto Stubbens—the same parties as last year.

**ASTHMA SUFFERERS DEMAND CINARSUM**  
CLEVELAND, O., May 6.—(Special Telegram.)—The Cinarsium Co., of this city is being deluged with letters from Asthma, Hay Fever and Catarrh sufferers everywhere asking for free samples of the wonderful "Cinarsium." The discovery of Cinarsium by Prof. Hartner has attracted the attention of the whole scientific world. "Our mail is simply enormous. We had no idea there would be such a demand as this when we made the offer to send samples of the drug free."  
A meeting of the Board of Directors was called to take action, although it is costing us heavily, it was decided to send out free bottles, as we believe it is our duty to let the people have this chance to test Cinarsium. An additional appropriation was made to meet the extra expense. Reports of cures come in by every mail. The Cinarsium Laboratory are taxed to their full capacity to meet the unprecedented demand. To facilitate matters all correspondents are requested to address letters to The Cinarsium Co., 28 Bank street, Cleveland, Ohio.

**On every bottle of Ligozone we offer \$1,000 for a disease germ that it cannot kill. We do this to assure you that Ligozone does kill germs.**  
And it is the only way known to kill germs in the body without killing the tissues, too. Any drug that kills germs is a poison, and it cannot be taken internally. Medicine is almost helpless in any germ disease. It is this fact which gives Ligozone its worth to humanity; a worth so great that, after testing the product for two years, through physicians and hospitals, we paid \$100,000 for the American rights. And we have spent over one million dollars, in one year, to buy the first bottle and give it free to each sick one who would try it.

**Acts Like Oxygen**  
Ligozone is not made by compounding drugs, nor is there any alcohol in it. Its virtues are derived solely from gas—largely oxygen gas—by a process requiring immense apparatus, and 14 days time. This process has for more than 20 years, been the constant subject of scientific and chemical research. The result is a liquid that does what oxygen does. It is a nerve food and blood food—the most helpful thing in the world to you. Its effects are exhilarating, vitalizing, purifying. Yet it is a germicide, so certain that we publish on every bottle an offer of \$1,000 for a disease germ that it cannot kill. The reason is that germs are

vegetables; and Ligozone—like an excess of oxygen—is deadly to vegetable matter.  
Ligozone goes into the stomach, into the bowels and into the blood, to go wherever the blood goes. No germ can escape it and none can resist it. The results are inevitable, for a germ disease must end when the germs are killed. Then Ligozone, acting as a wonderful tonic, quickly restores a condition of perfect health. Diseases which have resisted medicine for years yield to Ligozone, and it cures diseases which medicine never cures. Half the people who meet—wherever you are—can tell you of cures that were made by it.

**Germ Diseases**  
These are the known germ diseases. All that medicine can do for these troubles is to help Nature overcome the germs, and such results are indirect and uncertain. Ligozone attacks the germs wherever they are. And when the germs which cause a disease are destroyed, the disease must end, and forever. That is inevitable.

**We Offer \$1,000**  
For a Disease Germ That Ligozone Can't Kill.

**50c Bottle Free**  
If you need Ligozone, and have never tried it, please send us this coupon. We will then mail you an order on a local druggist for a full-size bottle, and we will pay the druggist ourselves for it.
