FROM ASMUS BOYSEN...
TO ALL WHO ARE INTERESTED
Through these lines I wish to call your attention to the special Act of Congress which passed the House on March 2nd, 1885, whereby I exchange my 178,000 acre coal lease which I held with the Shoshone and Arapahoe Indians in Wyoming for 60 acres of mineral land containing copper of immense value.
Write for my booklet giving the full history of my valuable concessions and of THE ARMUS BOYSEN MINING COMPANY, incorporated in the state of Wyoming.
Bear in mind, this is one of the greatest opportunities ever offered the most skeptical investor. Write at once.
