FORT MEADE, S. D., May 12.—(Special).—On Thursday morning, May 12, the inhabitants of Fort Meade awoke to look out upon a typical winter scene. There were drifts of snow in many places from

eight to ten feet high, and the entire parade ground was covered with over a foot.

The regular scheduled base ball games were to have commenced on Wednesday, May 10, but as the weather was so bad as to permit of a game the game scheduled for that date was postponed. There are games a week—two on Sunday, one on Monday and one on Saturday. The morning games are to be called at 10 a. m. and the afternoon games at 1:30 p. m. Captain Furios, Captain Lott, Lieutenant McNarney, Lieutenant Hasson, Lieutenant Rittledge, Lieutenant Carter, Color Sergeant Rittledge, Private Stone of G troop, Mr. Wilson and Mr. Hammond, employees of the quartermaster department, are to be the official umpires. Captains of the teams agree upon an umpire the day before their scheduled game and notify him of the fact.

At the close of the regular series of games and there will be thirty-six, the highest teams shall play the other three exhibition games. With several days of clear weather the snow went as quickly as it came, and on Sunday the base ball diamond was dry enough for a game and two scheduled games were played. In the morning D and E troops played and E was successful in winning with a score of 22 to 10. In the afternoon with a score of 22 to 2 to 0.

The practice is continued in accordance with instructions laid down for special course B, in the firing regulations, miniature targets being used.
