WANTED-MALE HELP

THE IDEAL SUMMER COLLEGE

Boyles College building was erected with the special idea in view of making our summer course pupils comfortable. The ceilings are 14 feet high. Large windows allow grateful broezes to flit through the entire building. The cool basement is utted up for a gymnasium for betin gentlemen and ladies. The hoppes building is positively the coolest building in Omaha. Business changes usually occur in the fall, new additions to the office staff are then made. The pupil who will enter Boyles College now and work through the summer at stengraphy, bookseeping or then made. The pupil who will enter Boyles College now and work throtten the summer at stenography, bookkeeping or telegraphy will be capable of filling a position in the husiness world this fall, just when the most positions will be beckening to him. You will gain nothing by Idling the whole summer away. And amid the pleasant environment of Boyles College college work will be more of a pleasure than work. You will become fascinated with the courses as they progress, leading you on into new fields of knowledge, arming you with a new shifty each day and adding to your capacity each hour.

Hesolve that just as soon as your public school closes this spring that you will enter Boyles College for the summer term—that you will waste no time in fitting yourself for the battle for success—that you will grasp the usual ide summer hours to add the finishing touch to your education necessary to make your success in business assured.

Write or call for catalogue today. It won't pay you to delay.
