

PLANS FOR COMMENCEMENT

Dates and Doings at High and Public Schools Being Arranged.

BIG CLASS OF SENIORS FROM FORMER

One Hundred and Eighty Students Will Be Graduated from the High School This Year.

Principal Waterhouse is not yet ready to announce the names of about 180 students who will be graduated from the high school on the night of Friday, June 16, at the Orpheum theater.

The baccalaureate sermon will be preached to the class on the morning of Sunday, June 4, by Dr. Conley, at the First Baptist church.

Class day exercises will be dispensed with as they were last year and their place taken by the presentation of a suitable memorial to the school by the graduating class.

Although it is not certain, it is probable that the senior class will have a banquet on the Saturday evening following commencement. The alumni banquet will be given at the Millard hotel on the evening of June 19, to be followed by a dance.

SOCIETIES HAVE ONE BIG DAY

High School Students Hold Literary Meetings of Merit.

Monday afternoon and evening was the meeting time of the various High School societies.

The Hawthorne society met at the school in the afternoon and gave a program, its character being French. Misses Alvin Huntley opened the program with a piano solo, "Air de Ballet."

The Webster society met Monday also, and an interesting debate on the question "Resolved that the Railroads in the United States Shall be owned and Operated by the People," had been arranged for.

A debate on the subject, "Resolved, That the Study of Language Trains the Mind as Well as the Study of Mathematics," was the feature of the meeting of the German society Monday afternoon.
