Features of the Trading and Closing

Prices on Board of Trade. CHICAGO, May 26.—Rain in Kansas and okiahoma gave fresh zest to buying in he wheat market here today. There was not advance of precisely ic a busnel in he price of July option. Corn is off factorial are unchanged. Provisions are Factor by bigher.

Oats are unchanged. Provisions are Fell to higher.
Strength in the wheat market was not in evidence at the opening. On the contrary, sentiment was somewhat bearishly inclined, owing to excellent weather conditions in the northwest. A liberal increase in receipts at Minneapolis gave encouragement to bears, blowever, the steady tone of cables in the face of a break here yesterday almost offset the bearish influence. Initial quotations on July were a shade to happy lower at Stags. On reports of additional rain in many portions of the southwest a good demand developed. Several prominent traders were conspicuous

GOLDFIELD CHIEF MINING CO.

TEN CENTS PER SHARE \$10 buys 100 shares, par value \$100. \$50 buys 500 shares, par value \$500. These mines are located in the famous Goldfield District in the same locality of other mines that have jumped from 10 cts, per share to 8 cts. to \$15.00 per share and still going up. Goldfield Chief is sure to advance rapidly and investors are sure to make money by buying now when down on the ground floor. Goldfield beats the world in the production of gold. MILLIONS have been taken from partially developed mines and Millions are yet to be taken with pay ore in sight at every turn waiting only for development with ruliroads and miles rapidity pearing completion.

The Financial World SAMPLE COPY FREE

NO INVESTOR OR SPECULATOR CAN BE WITHOUT this fearless financial paper and its Advice Service. It helps you to judge legislimate investments from fales. It exposes rotten finance with all its tricks and traps. It is independent as it necess an advertising but lives and prospers by subscriptions only. It will OPEN YOUR EYES

INTERESTED IN GOLDFIELD. We are offering the first block of development stock in the Goldfield Lucky Strike Mining Co. at if cents per share. The Goldfield Lucky Strike Property consisting of M acres is not alone in the heart of the producers, but adjoins the Empire and Lone Star, both producers. The ledge that the Empire is working on and extracting EGC ore from extends into and through our property. We urge you for our mutual benefit to write us for full particulars. Remember only 100,000 shares at ticulars. Remember only 100,000 shares at 15c, balance if sold will not go on the mar-Henry Anchester Co., Inc.,
