lief in any successful plan of harmony in Warm Debate in Cumberland Body the northwestern railroad situation was given much importance. It was believed that there was important liquidation induced by this cause. Such breaks as 71g in Northern Pacific, over 19 points in Great Northern preferred, 4 points in Northwestern and 2 points or over in Union Pacific and St. Paul were the immediate evidence of this feeling. Uneasiness over the iron and steel outlook was a definite influence. United States Steel preferred breaking over points. Some importance was attached to a renewal of a speculative campaign by an advertisement which centered particular attention on Amalgamated Copper. That stock was forced 3 points under Saturday The pressure to sell spent its force before

herefore, the union has not been constituionally agreed to. It further affirms that Another case of weakness in the last hour the Presbyterian church has not complied of trading was the circulation of a report to the terms of agreement with reference that a trust company of this city had apto separate presbyteries. At this point pealed to other institutions for help and an official telegram was received announcthat after an examination of the trust ing that the northern assembly had decompany's affairs assistance had been reclared the union proposition carried in that church and all the conditions complied. with. A member then read a personal telegram from Dr. W. Plumber Bryan of Chicago contradicting the first and declaring that the Presbyterian assembly had indefinitely postponed the subject. Both messages were received with great applause.

### Many Houses Blown Down and a Number of Persons Killed and Injured. DALLAS, Tex., May 22-Several lives were lost and serious damage was done to for the majority report. Dr. Templeton of crops in many sections of Texas last night

FRESNO, Cal., May 22 .- The Cumberland Presbyterian general assembly is in the midst of a warm debate on the union question. Two reports were presented to it this afternoon. A majority report, signed by Drs. Templeton and Wigginton and Judge Beard, gave a complete list of the presbyteries which had voted and declared that the union had been constitu tionally agreed to by the Cumberland Presbyterian church and the basis adopted. Elders McClelland and Young submitted a minority report. This agreed with the majority with reference to the facts of the

vote except one presbytery, but claimed that the church has no constitutional right to unite with another church and that, the closing of the market and there were
